Group Counties for Courts

Notice has been received that the counties of Simcoe, Dufferin, Halton and Peel have been grouped into one district under the County Court Judges Act of 1910. For the present this will make no difference in the work of the judges, though it will do so in case a vacancy occurs. This is the first move under the new act which makes it possible for judges from these counties to meet and arrange the work each judge may perform, irrespective of county boundaries. One county may be large, while the other is small, and now the judges may divide the work, or they may make numerous other judicial arrangements. And in case of a vacancy in one county the lieutenant-governor may declare it unnecessary to appoint a successor. Then the remaining three judges would perform all the duties within the district, or group of counties. Halton, Peel and Dufferin counties are somewhat compact, but adding Simcoe means taking in a wide and faraway territory.

Keeps Motors Smooth Running

Quality maintains economy. You may pay less "per gallon" for other lubricating oils but you get more lubrication "per dollar" when you buy Imperial Polarine Motor Oils.

USERS of Imperial Polarine Motor Oils enjoy a singular freedom from engine trouble, which is at once a source of profit and pleasure to them.

Every bearing and rubbing surface is cushioned with an unbreakable oil film which relieves friction and minimizes wear. Good compression is also maintained, saving both fuel and oil and increasing power.

Lessened repair bills, lower upkeep costs, better satisfaction and longer service from your car follow the use of Imperial Polarine Motor Oils.

Consult our Chart of Recommendations for the grade of Imperial Polarine best suited to your motor. See Charts at your dealers or write to 56 Church Street for "Automotive Lubrication," a booklet which contains the Chart and other valuable information.

Farmers Attention!

JOHN McMURCHY

HUTTONVILLE ONTARIO

MILL-TO-MAN-STORE

This season I am allowing 2 c. per lb. more than the market price for farmer's wool, if all taken in exchange at my store, and as my prices are always favorable, it will pay you to come prepared to trade out your entire quantity, thereby securing this big concession, as many have already done. The wool market is so dull this year, owing to the U. S. Emergency Tariff Bill, the unprecedented trade conditions, mills being shut down and other contributory causes, it hardly pays me to pay cash, hence this inducement to accept goods in exchange for all of your commodity. I carry a full and complete stock of Hosiery, Blankets, Sheeting, Yarns, Underwear, Sweaters, Working Garments, Mitts, Gloves, etc.

Open all factory hours.

For the Quick Service —that brings repeat orders

"LET me get him on Long Distance, and I'll soon settle this"—says the shrewd business man, as an emergency arises. His personality, with the persuasive tones that helped him build up his business in the old days, is still the greatest force at his command, and it never fails to bring the needed results.

Long Distance permits him to retain that personal contact and influence with men in distant places, on which his success was built. "If one of our travellers fails to secure an important order, he gets me on Long Distance before the interview is over, and I nearly always land it."

The power of Long Distance as a business-getter is only beginning to be appreciated. "Use the 'Bell' to Sell", and see how economically it produces results. Many of your Long Distance calls can take advantage of the Station-to-Station rate. Ask our Local Manager to explain how, or ask for our Booklet, "A Few Ways to Speed Up Business."
