to the bread we produce be cause of the fact that we use superior flour and have the best facilities possible to employ in the line of baking. Our bread is the result of careful and painstaking methods which we have pursued with but one sim and that is QUALITY.

McKINLEY BROS. Glenwilliams, Ont.

Although your reception hall rug receives harsh traffic, it will brightly welcome callers for years longer if you clean it with The Hoover. The Hoover bests out the destructive street grit that becomes embedded. It sweeps straight the heel-crushed nap and picks up the stubborn, clinging litter. It suctions up the color dimming surface dirt. Only The Hoover does all of these essential things. And it is the largest selling electric cleaner in the world,
