A Fast Worker

You know the story of the farmer who was showing a visitor over his place. Away off in the middle distance was a motionless figure that resembled a human being in general outline. "I see you still have faith in that old-fashioned scarecrow" remarked the visitor. The farmer gazed steadily at the object for some minutes. "That isn't a scarecrow" he announced finally. That's one of my hired hands at work."

Investigate Before Investing

You are morally obligated to equip your daughter or son with the best means of earning a living. If your child is sure to become a Lawyer, Doctor, Dentist or Minister, we are of very little service, but if that child is going to enter the great world of business for himself or for others, you can only do your duty by furnishing a Business Education. Every child should be trained in the art of making a living. First things come first. Put that daughter so she can earn a good salary, and thereby be independent during all the vicissitudes of life. The Canada Business College over Bank of Nova Scotia, Guelph, enjoys double the attendance of any other Business College in Wellington County. There is a reason. Four out of every five stenographers and bookkeepers in this vicinity look to Toronto for a position, so, you would be decidedly foolish if you did not attend the C. B. C., Guelph, so, that you would have the Canada Business College, College of Spadina, Toronto always at your back to place you and keep you in a position. Over thirty students from Georgetown and vicinity in the past two years. Ask them. Follow the crowd. Twelve schools. Largest trainers in Canada. A position for every graduate. Home Study Courses, Special Course for Farmers' Sons by mail or College. Write for particulars to Canada Business College, Guelph, Toronto, etc.

The Hoover lifts the rug from the floor, like this — flutters it upon a cushion of air, gently "beats" out its embedded grit, and so prolongs its life

Although your reception hall rug receives harsh traffic, it will brightly welcome callers for years longer if you clean it with The Hoover. The Hoover beats out the destructive street grit that becomes embedded. It sweeps straight thru heel-crushed nap and picks up the stubborn, clinging litter. It suctions up the color-dimming surface dirt. Only The Hoover does all of these essential things. And it is the largest selling electric cleaner in the world.
