and barns of Mr. L. F. Denison at "Bellevue," on the 6th line about two miles from town were totally destroyed by fire.

Mr. Denison was working alone in the barn chopping grain when he looked up and saw that the whole mow was on fire. He had only time to escape himself. There was no chance of saving anything.

Fanned by a high wind, the flames were carried to another barn, then to the house. By this time neighbors who had been summoned and hundreds from town and surrounding country had arrived on the scene. At first it looked as if the house might be saved but the limited supply of water available made it impossible notwithstanding the efforts of many willing hands.

Much of the household furniture was saved.

A valuable pure-bred Shorthorn bull perished in the flames as did also the farm implements. All the live stock excepting the bull was out in the fields at the time of the fire.

It is thought that the fire was caused by some foreign metallic substance in the grain when passing through the chopper.

Mr. Denison places his loss in the neighborhood of $40,000, which is fully covered by insurance.

Mr. and Mrs. Denison have the sympathy of many friends in the loss of their beautiful home and farm buildings. They are for the time being living in the "Bescoby" home which was kindly placed at their disposal by Mr. Harry Lawson.

It was indeed fortunate that quite recently Mr. W. T. Evans had induced Mr. Denison to fully cover his property by insurance.

Mr. Denison will rebuild in the spring.

The hold this sport has taken on the people was evidenced by the large and enthusiastic response to the invitation to take part. The dull weather did not in any way take from the pleasure of the afternoon but rather enhanced the beauty of the autumnal scene and made the following of the balls much easier than in the glaring sunlight.

In the contest for best score for first hole Mrs. G. C. Mackay and Mrs. Willoughby tied for honours —Mrs. Willoughby finally winning by one stroke.

A great deal of interest then centred around the contest for driving over the pond, and after many—well tried attempts and much expenditure of energy Mrs. Mackay surmounted the mental hazard and a brilliant stroke laid the ball on the green.

Mr. Warwick Noble and Mr. Dickie tied for honours for the best score for the first two holes.

Among the guests seen on the green during the afternoon were Dr. and Mrs. Hugo Reed from Guelph, while other prominent golfers hailed from Milton, Hamilton, Toronto and Buffalo.

The prizes were presented by Mr. Foulis and Mr. Willoughby, followed by a short address from Major Grant in which he expressed his pleasure in being once more back in Georgetown and also the pleasure enjoyed by all on the Golf Links during this summer.

The programme which had been arranged for Monday will be carried out on Thursday afternoon, commencing at 2 o'clock. The entry list is large and promises to be one of interest to spectators as well as participants.

A closely contested match took place last Wednesday morning on our local Golf Links. Mr. Hazelwood and his assistants met on the 1st tee and promptly at ten o'clock. Mr. H. Morrison drove off the first ball on a real Mitchell and Duncan style, followed by Messrs. Hazelwood, Huggins, Hull, Stacey, McRichnie, Hodge and Hull Jr.

On the second tee there were many well-tried drives and several balls successfully dropped on the green. The day was unusually warm but the interest increased, even when over the dog's leg, several scores went up one and even two points above par. Several remarkable tee shots were made, and altogether the game was one of the best of the season.

Mr. Walter Hodge carried off the honours, making the nine holes in 88; Mr. Hull and his son, Geo. Hull, tied for second place with 92. They played again to the first hole when Hull Jr. broke the tee by one stroke.

Mr. Morrison then made a neat speech in which he expressed the pleasure enjoyed by all the contestants of the game, and Bertram Willoughby presented the prizes, and was only sorry when he found he could not give a prize to all alike.

Mr. D. L. Herbert, Mr. Wm. Millar and Reggie Hazelwood kept the score. Mr. Jess Hazelwood's score was not counted as the game was called for amateur players.

The Golf match on Saturday between the town and the Provincial Paper Mills resulted in a win for the Paper Mills by a score of 7-8. All enjoyed tea at Cedar Crest Cottage.
