High School Field Day

The day was perfect and the High School grounds were ideal. The events were run off with dispatch and good humor. The boys' senior running broad jump was won by Wakefield Ford, who described an arch through the heavens that landed him 17 feet 7 inches, from where he left the earth. Clifford Kenny won the junior with a distance of fifteen feet five inches. In the senior hop, stop and jump, Robert Corke stretched his legs thirty-six feet eight and a half inches and in the junior, Wilford Hudson hit thirty-three feet three inches from his hop. Robert Corke pranced in first in the hundred yard dash with Lloyd Kenny second, while Wilford Hudson in the junior touched the tape a moment too soon for Clarence Walters who was second. Clarence Walters proved most expert in kicking the football through the goal. The best race was an interesting race won by Norman Henderson with Lloyd Kenny second. The junior three eighth mile was won by Clarence Walters. In the sack race Wakefield Ford bounced over the line first and gulped in to glory in the pony race with George Green. The most spectacular event was the relay race in which three forms entered, four from each form. The flag circled the course four times. The second form won. Their champions were Wakefield Ford, Donald Russel, Lewis Laird and Fred Davis. The girls events next week.
