DO YOU REMEMBER

When women wore long skirts, And long sleeves, And white undershirts and all that, And had coal was six dollars a ton, And pork chops were ten cents a lb. And you could get a fine suit of clothes for twenty bucks. And sugar was five cents a pound, And potatoes fifty cents a bushel, And you could rent a house for ten dollars a month, And shoes were three dollars a pair, And overcoats about the price you pay now for a lunch, And you had a nickel a glass, And you had no strikes, And everybody was happy. You do? Gee, but you must be an aged bird.

A Satisfactory Store

The sale epidemic has corrupted the Clothing Business. Coats, Suits and Trousers are marked double their worth and then reduced to half. If some advertisers were compelled to establish the truth of their statements it would ruin them - since it would force them to be honest.

HONEST VALUES!

It is easy to distinguish between our honest values and those false values. That's what has made our business grow. People buy at this store because they know they get the most for their money here and certain of satisfaction.
