D. BRILL

Yes, I Packed the Store to the Limit With Four Vital Factors

- 1--Truthful Advertising.
- 2--Meritorious Goods.

- 3--Brill's Reputation.
- 4--Awe-Inspiring Prices.

I turned the Community upside down by Value-Giving that made the Old-Time Prices look like a selling plaster. That's why we had to shut the doors in face of the crowds; that's why I sold thousands of Dollars worth of Clothing and Shoes where hundreds was the rule. We have added more help so that all could be waited on. Glance over our Prices so that you, too, will help crowd our aisles.
