This ONE CENT SALE Plan was originated by the United Drug Company for the Rexall Drug Stores. The United Drug Company are the largest manufacturers and buyers of Toilet Articles, Remedies, Chocolates, Perfumes, Rubber Goods, Stationery and Drug Sundries in the world, and this is an advertising plan pure and simple, of which they bear most of the expense. Instead of spending money in the regular way, such as Free Samples, etc., it is their desire that we place full size packages, or articles, in your hands, giving you an opportunity to judge the real value of these goods, the cost of which they charge to advertising. We will only be permitted to run this sale occasionally. Beware of imitations in other stores, and take advantage of this exceptional opportunity. We can not afford to charge or deliver goods during this sale. Come in and see the display of all New Merchandise.

**A Satisfactory Store**

The sale epidemic has corrupted the Clothing Business. Coats, Suits and Dresses are marked double their worth and then reduced to half. If some advertisers were compelled to establish the truth of their statements it would ruin them—since it would force them to be honest.

**HONEST VALUES!**  
It is easy to distinguish between our honest values and those false values. That's what has made our business grow. People buy at this store because they know they get the most for their money here and certain of satisfaction. The success of a store depends upon what it does. Not on what it promises to do.
