Another "Ford" Story

It was the Judgment Day, an' throngs of people were crowding around the Pearly Gates trying to convince St. Peter that they were entitled to enter Heaven. To the applicant St. Peter said, "What kind of a car do you own?" "A Packard," was the reply. "All right," said St. Peter, "you go over there with the Presbyterians. The next in line testified that he owned a McLaughlin and was told to stand over with the Methodists. Behind him was the owner of a Dodge, who was ordered to stand with the Anglicans. Finally a meek little individual came along. "What kind of a car do you own?" was the question. "A Ford," was the answer. "You just think you own a car, you go over there with the Christian Scientists."
