**Wish them Merry Christmas  
by Long Distance**

"SO you're not going home for Christmas?"

"Afraid I can't afford it this year. It's going to be  
very lonely here too! I'll get letters, of course, but  
how I do want to talk to them, be one of 'em!"

"Why that's simple. I can't go home either, but I'm going  
to call my Christmas greeting to every one of my folks personally  
—talk to them by Long Distance. I'll wager I'll almost be able  
to smell the good old turkey cooking!"

"What a splendid idea! I'm so glad you made me think of  
it. Christmas won't be such a lonely day after all. Long  
Distance will give mother the feeling that I'm not so far away!"

That's just what Long Distance is going to do for distant  
relatives, sons, daughters, sweethearts, this Christmas day. It's  
going to make the "Merry Christmas" real—bring the missing  
one so close that the loneliness and pain of separation will be  
forgotten in the joy of hearing the dear voices again.

Station-to-Station service with low

brought Long Distance within the
