Correspondence

To the Ratepayers of Georgetown:
I wish to announce to my friends and supporters that I am a candidate for Mayor. I feel that owing to the fact there will be so many new members of Council, that it is in the interest of the ratepayers that a portion of old Council should be returned. We have a new waterworks system to build and in the interest of ratepayers I do not consider it advisable to change horses in mid-stream. I feel that owing to arbitration proceedings pending for acquiring waterworks property and also for damages to land of H. T. Arnold on Queen St., that I can render valuable service to this Municipality during the coming year. Owing to lack of space I am unable to get fuller into these matters, but trust that every man and woman ratepayer of this Municipality will attend nomination meeting where a full statement of Town affairs will be rendered to them. It is the duty of every loyal citizen of Georgetown to take an interest in the affairs of the Town.
Yours very truly
LEROY DALE, Reeve.
