Woodland Farm at Appleby, just east of Burlington, has been purchased by Col. Wm. Hendrie, of Hamilton, from Dudley Alton, and will be used for raising pure bred cattle--Shorthorns. The farm is over 300 acres in extent, with running stream and plenty of shade, and is ideal for the purpose for which it has been acquired. There are good buildings on it and it is one of the show farms of Halton. It has been in the Alton family for 100 years, and has the distinction of never having been mortgaged. It is on the Barrie division of the G.T.R., and is about 11 miles from Hamilton. Wm. Hendrie, jr., who, like his father, has a liking for pure blood live stock, and who recently completed a cattle course at the Ontario Agricultural College, will be in charge of the plant.
