A Service

That people are out to save money on the bread, they buy is a really good sign, another sign that 1922 is going to be a year of intense competition with most of the business going to the man who is willing to sell at the lowest price that will yield a fair profit. Brown's bread is best because it is cheapest. Brown has the price which it ought to be—14c a loaf. N. Brown, Main St., Georgetown.

High School At Home

The High School pupils at Home in the town hall last Friday evening was largely attended and thoroughly enjoyed by the pupils, teachers and friends. The evening was a success and spent in games, after which a dainty lunch was served. An hour was then spent in dancing which terminated when Principal Ross rendered a piano solo entitled "Auld Lang Syne."

Married Party Years

On Monday evening Mr. and Mrs. G. H. Sayers celebrated the 40th anniversary of their wedding by entertaining a number of their old friends and neighbors at their home here. A pleasant social evening was spent during which time a dainty lunch was served and Mr. and Mrs. Sayers were the recipients of a handsome bouquet of flowers. Mr. and Mrs. Sayers were married at Collingwood 40 years ago and Mr. Sayers tells us there was only two weeks eloping in January, that winter. There has not yet been a break in Mr. and Mrs. Sayer's family of four daughters and one son, viz.:—Fred, in Saskatchewan; Mrs. Ewing, Hamilton; Mrs. Oliver Marshall, Elora; and Misses Mary and Violet at home. The Herald extends congratulations.

Lepor Malaria Meeting

Not a large but a very interested audience greeted the Rev. Mr. Konkle at the annual meeting of the Lepor Mission held last Thursday in the Methodist church. Mr. Konkle is the newly appointed secretary for Canada, replacing the late Miss Wait. Prayer was the subject of his talk, for said he, "This mission was founded on prayer and has always been supported by prayer." Of the two million lepers in India only 8,890 are in asylums, so the need is great and three new asylums at least are immediately required. No cure has been found for leprosy but Chalmers all has done wonders in checking the disease. Mrs. Matthew was re-elected president with Mrs. Dayfoot as treasurer and Mrs. Ralph Ross, secretary. The offering of \$30.10 will doubtless be increased by the many friends of the mission, kept from the meeting by various causes. Contributions will be thankfully received at any time by any of the officers.

Correspondence

The Georgetown G.W.V.A. have received the following communication which speaks for itself:—
 Mr. R. J. Hynds.

Dear Sir—Your announcement at the recent concert given under the auspices of the G.W.V.A. that your association would inevitably be a loss by the series of concerts, struck me as very regrettable, as you have given the public the opportunity of hearing very high class entertainment. As one who has thoroughly enjoyed your concerts, I do not think it is fair that your association should be lauded into difficulties through no fault of your own and I have pleasure in enclosing cheque for \$10.00 and I trust this may prove of service to you.

Yours very truly,
 H. Corke.
