Died
 SHERMAN—In Georgetown, on Thursday,
 February 9th, 1922, Henry Sherman, in
 his 86th year.

In Memoriam
 HANCOCK—In loving memory of our dear
 mother, Sarah Ann Hancock, who de-
 parted this life February 26th, 1917.
 Sweet is memory, dear to our hearts,
 The place that you held there shall never
 be part of
 And all through the days, be they many
 or few,
 Shall be filled with remembrance, dear
 mother, of us, your loving children,
 Sadly missed by daughter and son, Jennie
 and Ernest.

Card of Thanks
 We hereby convey our sincere thanks to friends and neighbors for their many kindnesses extended to us during the illness and death of our beloved husband and father, Mrs. John Rankine and family, Norval.

Oldest Citizen Dead

There passed away at his home on Maple Ave., on Thursday last, Georgetown's oldest resident in the person of Mr. Henry Sherman. He was born in the year of Queen Victoria's accession and spent his earliest years in Hamilton, where his father was stationed with his Regiment. After the death of his mother, he came to Georgetown when six years old and lived here almost continuously for eighty years. Mr. Sherman came to Georgetown when it was but a hamlet. At that time many stumps decorated its principal streets, and numerous wild animals, wolves, bears and deer, roamed the hills and valleys nearby. No railway connected Georgetown with the outer world in those pioneer days. All travelling had to be done on foot, horseback or stage and Oakville was the nearest shipping point. Every thing had to be taken to and from there. His boyhood days were spent in the employ of late P. W. Dayfoot and the late James Young. In 1865 he married Jane Poch, Esqueving, who predeceased him about fourteen years ago. One son Henry, of Milton, Mrs. D. A. Scott, of Shelburne, Mrs. R. R. Gardner, of Galt, and Miss Sherman at home survive him.

Mr. Sherman was a man of sterling honor and kindly disposition and will be missed by a large circle of friends. The funeral took place on Saturday afternoon and was largely attended and the large number of beautiful floral tributes testified to the respect in which he was held.

The service was conducted by the Rev. Jas. Moore of the Baptist church of which Mr. Sherman was a member. The pallbearers were Wm. Thompson, D. L. Herbert, Jas. A. McClure, R. C. Nixon, L. Watson and Major Grant. Among those who attended the funeral were: P. G. Early, J. A. Croft, Brampton; Mrs. J. Christie, J. Watkins and Alex. Cross, Toronto; Miss Holzer and Mr. F. A. Rodgers, Hamilton; Mr. and Mrs. Gardner, Galt; and Mr. and Mrs. Sherman, Milton.

He was well informed and had a wonderful memory. He was remembered by the late J. D. McGregor (Rob. Boy) for material for his history of Esqueving. He was a man of sterling honor and kindly disposition and will be missed by a large circle of friends. The funeral took place on Saturday afternoon and was largely attended and the large number of beautiful floral tributes testified to the respect in which he was held.

Terra Cotta

The regular monthly meeting of the Terra Cotta U.F.O. and U.F.W.O. was held at the home of Mr. and Mrs. Jas. McKane on Monday evening, Feb. 8th. The meeting of the evening was a fowl supper which had been prepared by the ladies of the club and of which some eighty persons partook. The tables were prettily decorated with tulips for the occasion. Tea was potred by Mrs. J. A. McKane, Mrs. J. C. Lyons, Mrs. W. A. Lyon and Mrs. T. Anderson. When all had partaken of the bounteous feast, toasts were proposed by Messrs Herbert Taylor and Clarence Anderson as follows:—"Our King," responded to by singing the National Anthem; "Our Country," responded to by Hamilton Lyon; "The Maple Leaf," "Our Premier" responded to by Herbert Taylor; "Herbert Taylor" responded to by Jas. McKane; "Miss McPhail" responded to by Agnes Sutherland; "Officers of U.F.O. and U.F.W.O.," responded to by Andrew McDonald; "The Ladies" responded to by Messrs Peter Dick and Harry Searle; "The Host and Hostess," responded to by Jno. Lyons. After all had repaired to the parlor the tables were cleared and some time was spent in music and popular songs under the leadership of Mrs. Harold Lyons, following which dancing became the feature of the evening and until the small hours had passed away. The purpose holding a supper annually and with the membership steadily increasing a much larger crowd is anticipated next year.

Annual Meeting Chamber of Commerce

There was a large attendance at the annual Meeting of the Chamber of Commerce held in the town hall last Friday evening.

President L. E. Fleck occupied the chair. After the minutes of last meeting were read and confirmed, the election of officers for the ensuing year was proceeded with.

Matters pertaining to the welfare of the town were discussed at some length, and all are looking forward to a bigger, better and brighter 1922, than the year just closed.

The prospects for acquiring new industries in the near future, is very promising. The following officers were elected for the year 1922: Pres.—L. E. Fleck. 1st. Vice Pres.—J. M. Moore. 2nd Vice Pres.—J. B. Mackenzie. Secy.—W. Bradley. Ass't Secy.—R. J. Hynds. Treasurer.—H. R. Mims. Auditors.—Howard Kentner, Chas. Watson.

Council—W. T. Evans, G. C. McKay, H. Corke, J. A. Willoughby, F. R. Marshall, C. B. Dayfoot, J. N. O'Neill, Howard Kentner.

The following were appointed Chairmen of their respective committees:—Civic Improvement—Prof. Hutt. Education—Ralph Boss. Manufacturers—W. V. Grant. Reception—S. Kirk. Publicity—S. Harrison. Water Supply & Elec. Energy—Fred Cook. Transportation—E. McCannah. Amusements—T. Corke. Housing—R. B. Foutis.

Union

The weekly meeting of the young people of Union was held on Tuesday evening, February 7th. The feature of the evening was a debate, "Resolved that the sailor was of more importance in winning the Great War than was the soldier." Wm. Townsend and Eldred McDonald very ably upheld the affirmative while George Conitor and Norma Hunter supported the negative. While awaiting the judges' decision a few selections by Willfred Leslie on the Hawaiian guitar were very much appreciated. The judges could come to no decision other than a draw. Another debate is to be held Feb. 21st.

In the New Models Studebaker Again Establishes Its Right to Leadership!

1921 is past. It was a Studebaker year. 1922 looms ahead uncertain in most things, but as certain in one as tomorrow's sunrise. It will be a Studebaker year.

For the new models possess the intrinsic values that made 1921 a Studebaker year. PLUS the refinements suggested by another year of fine motor car building.

Beautiful new bodies have been designed and built complete by Studebaker.

Refinements have been made in equipment features that add to the comfort and convenience of driver and passenger.

Refinements have been made in mechanical details that make driving easier and the shifting of gears an operation as silent as it is simple.

We are certain that the new models will maintain Studebaker leadership. We know that you will be interested in them. We urge you to see them at our salarooms.

Look for These Features in the New Special-Six

3000 cc. 12-cylinder motor with detachable valves
 120-horsepower
 Improved clutch makes the shifting of gears smoothly quiet and easy
 New body of unusual resistance, built completely by Studebaker in a shop, with the refinements which make it more beautiful than last year's model
 Cool running motor with fan
 Complete heating apparatus
 Complete lighting apparatus
 Complete body work, accurately grouted on axle
 Multiple shock absorbers, independent front and back suspension in both ends connected with springs by riding light to insure uniform ride
 Wheelbase 110 in. Overall length 165 in. Overall width 60 in. Overall height 60 in.
