**Presentation at Union**

On Friday evening last a very  
pleasant gathering was held in  
Union church when Mrs. T. Anderson  
and Mrs. E. C. Thompson were  
each presented with a handsome  
China Cabinet as a token of  
appreciation and approval of  
their work as Organist and Choir  
Leader respectively.

Both these ladies have been  
connected with this congregation  
all their days and have taken a  
lively interest in its welfare. Using  
the talents which God bestowed  
upon them they made the choir  
their special department and,  
though honorary workers, attended  
to their duties with marked  
fidelity.

The meeting was opened with  
prayer and praise by the minister  
of the church after which Miss  
Norma Thompson sang. Miss  
Sutherland gave a reading, Mrs.  
Dodds sang a Scottish song, and  
Miss Cheyne recited.

The Chairman, having spoken  
of the excellent work and service  
given by the ladies whom they  
purposed to honor, called on  
Messrs Andrew McDonald and E.  
Townsend who, assisted by Messrs  
Frank Petch and Peter Dick, made  
the presentations when the following  
addresses were read:

Dear Mrs. Thompson—We, the  
members and adherents of Union  
Presbyterian Church, desire to ex-  
press our appreciation of your  
work in connection with this con-  
gregation. We have enjoyed and  
benefited by your labors as leader  
of our choir for many years, and  
have expressed in words, from  
time to time, our thanks for the  
great help you have given to the  
praise service of the church. The  
gift of song which the great  
Giver of all good bestowed upon  
you, has been cultivated and used  
not only in singing His praise, but  
also leading forth others so as to  
make His praise glorious.

Your fine Christian character  
and consistent life have added  
strength and force to your work  
and we have felt that you were  
not merely filling a most useful  
position, to which you cultivated  
gifts entitled you, but that it was  
to you, a service of love as you led  
the praise and told forth in song  
the unsearchable riches of Christ.

We ask you therefore to receive  
this as a token of the esteem in  
which you are held and as a tan-  
gible expression of our thanks for  
your labours.

Yours on behalf of the Church—  
Walter Patterson, Minister; H.  
Lyons, Session; F. Petch, Board  
of management.

Dear Mrs. Anderson—We, the  
members and adherents of Union  
Presbyterian Church, feel that the  
time has come when the work  
which you have done in connection  
with this congregation should be  
acknowledged in a tangible way.  
Our thanks have been expressed  
verbally on many occasions, for  
the earnest, self-denying and prac-  
tical help you have so ably and  
willingly rendered. Called by the  
unanimous voice of the congrega-  
tion, to fulfill the onerous duties  
of Organist, you have undertaken  
the work and performed it in a  
most satisfactory manner. We  
recognize that you accepted the  
call as a call from God, and ani-  
mated with love to Him and with  
a high sense of duty, in season  
and out of season, you have stud-  
ied to do your part efficiently and  
have deserved the praise of us all.

It is therefore with much pleas-  
ure that we present this token of  
our esteem and recognition of  
your valuable services and trust  
that you will be long spared to  
sound forth the praises of our  
King.

Yours on behalf of the Church—  
Walter Patterson, Minister; A.  
McDonald, Session; Peter Dick,  
Board of Management.

The gifts and addresses were  
suitably acknowledged by both  
ladies.

Mrs. Dodds again contributed  
another song after which Messrs  
McKane and H. Lyons spoke in  
eulogistic terms of the help both  
ladies had given to the congrega-  
tion while, Rev. T. Dodds of Chel-  
tenham in a witty and able speech  
conveyed his compliments to them  
for the evident esteem in which

ber of the Presbyterian Church. The

**Local Council of Women**

Those who attended the last  
meeting of the Local Council of  
Women held in the Rest Room  
of the Merchants' Bank, were  
greatly interested in the in-  
structive talk on "Mothers' Allowances,"  
given by Miss Appley who served  
on the Local Board for one year.  
Miss Appley explained the  
object of the Act of Parliament  
and the working of it through the  
Commission and Local Boards.  
Assistance given under the Act to  
mothers is not in the form of  
charity but is a means of helping  
them bring up and educate their  
children so that they, in time, may  
become useful men and women in  
our country. Miss Strom, the In-  
vestigator for this district, was  
also present and very kindly ex-  
plained her work which, as all  
young mothers are, is of great importance  
and benefit.
