**Automobile SKATES**

C.M. heat treatment gives glass-hard running edge combined with a tough core which makes blades practically unbreakable. Heavily nickel-plated over except to prevent rust. Made in Canada.

Used by World's Champions  
The famous "FALCONS" who won the Olympic Amateur Hockey World's Championship at Acton last spring—with one exception used Automobile Skates. The entire American Olympic Team, winners of second place, were also equipped with Automobile Skates.

**Made of Special Automobile Steels**
