

AN IMMENSE STOCK OF NEW Wall Papers!

To Interest Our Home-Making Friends

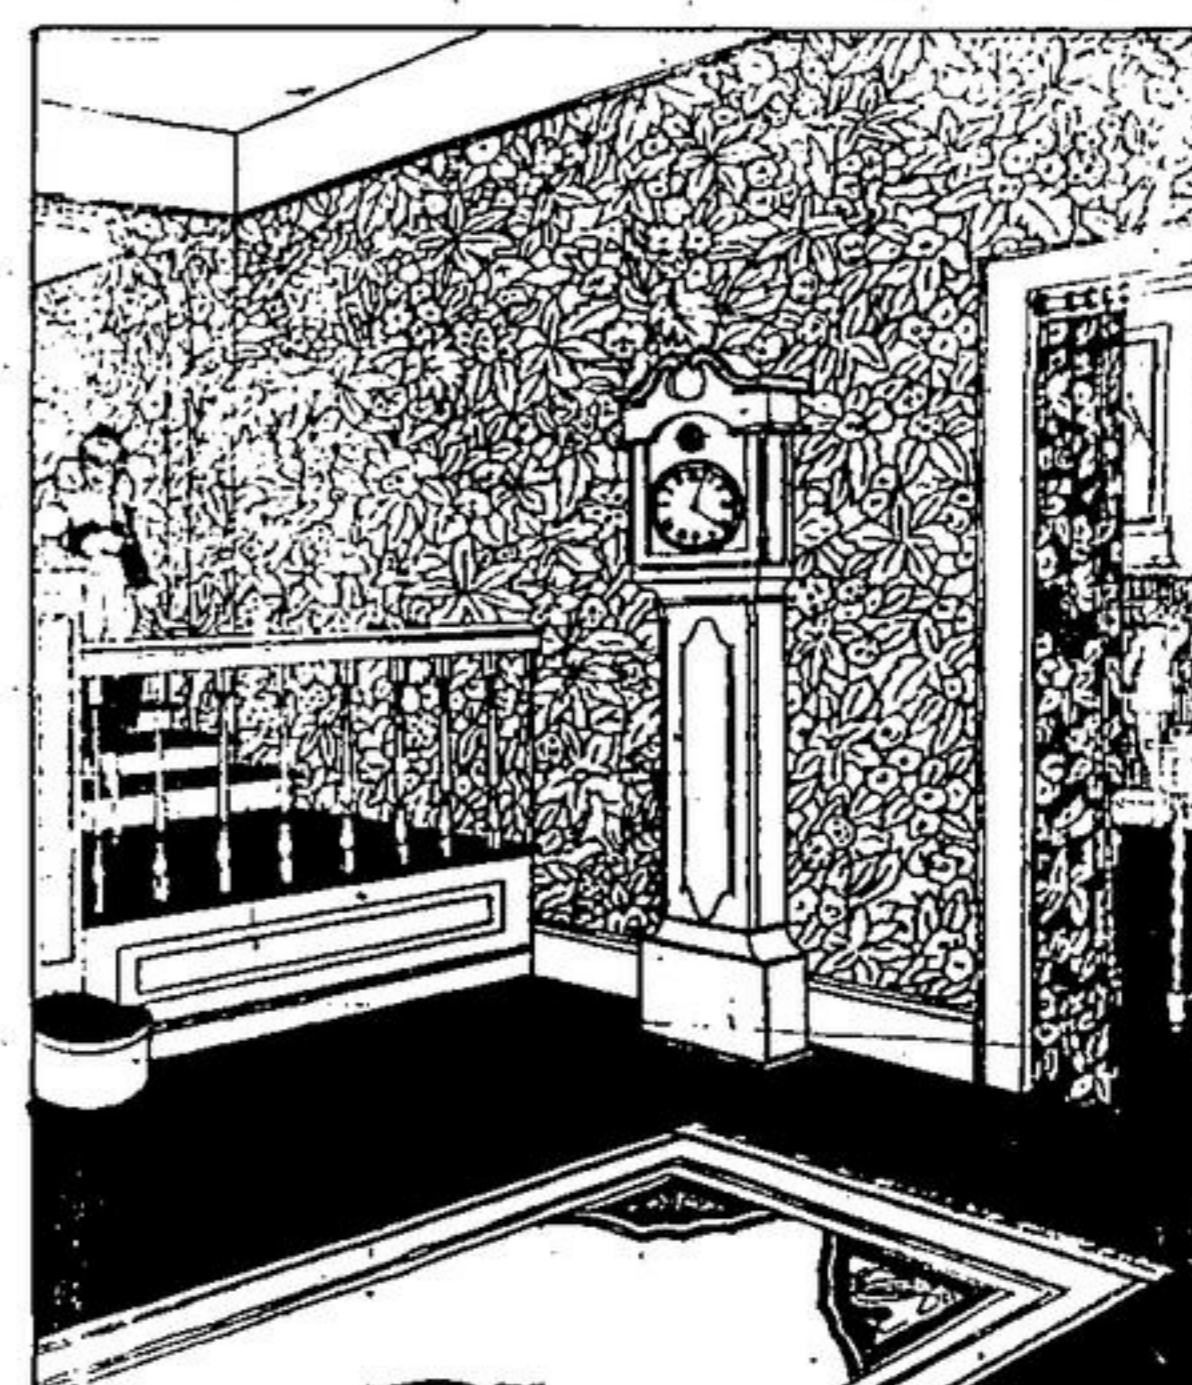

Thousands of Rolls of New Papers Ready Now to Meet Spring's Demands

Walls that have become faded, may have passed muster during the gray days of autumn and the long winter evenings, but with the approach of Spring they are shown up unmercifully, in all their faded dinginess, by the searching glances of a warming sun. Spring-time is the psychological time for brightening up the home and replacing faded wall coverings.

*This New Season's Prices are Fully
One-third Lower than formerly*
