Obituary

ANDREW WHEELER
Another old and esteemed resident of Georgetown, in the person of Mr. Andrew Wheeler, passed away on Friday, April 21st. Deceased was 81 years old and was born at Anchester, near Hamilton in 1840. In 1872 he married Margaret Martin of the Scotch Bush and they lived at Lime house until 1886 when they moved to Georgetown. Mrs. Wheeler died about 10 years ago. Mr. Wheeler conducted a general store in the Glen for many years and was respected by all who knew him. A family of two survive, John A. Wheeler of Georgetown and Mrs. J. A. Ballantyne of Georgetown, another daughter, Mrs. Robert Clark, died some years ago. His brother, Mr. Robert Wheeler of Georgetown, also survives. Mr. Wheeler was a member of the Methodist church and the funeral service on Sunday was conducted by Rev. Mr. Allen when the remains were interred in Georgetown cemetery. The pallbearers were: Jos. Beaumont, E. V. Barracough, S. Allen, D. Reid, T. J. Hill and Wm. Michie.

Ballinalad

The home of Mr. and Mrs. F. Binnie, lot 8, 9th line, Erin, was the scene of a pleasant gathering on Friday evening last, when about sixty friends and neighbors gathered for the purpose of a farewell visit and making a presentation to Mr. and Mrs. Binnie prior to their removal to their new home at Ballinalad. Mr. R. McEnery was chairman of the evening and after an appropriate speech called on Mrs. D. H. McClure to read the following address while Mr. R. McEnery and Miss Kate Sinejar made the presentations to Mr. and Mrs. Binnie:

Father and Son Banquet

The boys of the Boys' Excelsior and Bull Dog Squares in conjunction with the Boys' Junior Town Council held a banquet in the classroom of the Methodist Church last Thursday evening when the boys' fathers and the Advisory Council were the guests of the evening. It was a fine effort and the boys deserve a great deal of credit for it. The chief speaker of the evening was Prof. A. MacIntyre, secretary of the Ontario Social Service Council, who made his address in response to the toast to the Taxis Movement. How a boy can invest his life to the best advantage and those that which he should take into consideration, choosing his life work, was the theme of his address. There is only one thing that we have to give and that is service. The toasts were proposed and responded to as follows: Our King and the Land we Live in, proposed by Mr. A. G. Green, responded to by Mr. J. W. Kennedy. The Taxis Movement, proposed by Rev. R. F. Conroy, responded to by Prof. A. MacIntyre. The Advisory Council, proposed by Roy King, Mayor of the Junior Boys' Council, responded to by Rev. W. L. Davidson. The Bull Dog Square, proposed by Dickson, responded to by Jack Barber, treasurer of the Junior Boys' Council. The Excelsior Square proposed by Finlay Allen responded to by Fred Davis, both of whom are members of the Junior Council. Our Fathers, proposed by Levee Wakefield Ford of the Boys' Council, responded to by Mr. J. D. Giddrey.

Glenwilliams

The True Blue Lodge is going away here. Seven new members were initiated here on Monday evening. We understand some much needed repairs are going to be made to our town hall. Mrs. Barlow has been appointed caretaker. Our boys intend having a large team in the Glen this coming season. All interested please get busy. More street lights are badly needed in our village. The agreement by which we got our lights was lost for some time, but has now been found, and we believe if a representative body of citizens would attend Council and show the necessity for more lights the request would be granted. On March 22nd one of the Glen's oldest residents in the person of Mr. John Cook, passed away. Deceased was 80 years of age and had been a resident of the Glen for sixty years. He was an honorable old gentleman, respected by all who knew him. The remains were interred in the Glen cemetery the funeral service being conducted by Rev. Percival Mayes.

Local Council of Women

The regular meeting of the Local Council of Women was held in the Best Room on March 21. After the routine business was transacted the President, Miss Dayfoot, introduced the speaker of the evening, Mrs. Tweed, President of the Kitchener and Waterloo Council. Mrs. Tweed had been present at the Executive meeting of the National Council, held in Ottawa recently, and gave a very full and interesting account of what had been done there. A number of ladies interviewed Sir Lomer Gouin, Chief Justice of Canada, regarding the Criminal Law and it was the intention to send another deputation to the Government to urge the encouragement of British immigration. Two new Local Councils had been accepted by the National Council, one at Sudbury and one at Stratford. Each Local Council was urged to send for copies of all legislation passed by both Provincial and Dominion Parliaments. Delegates had been present from every province but one and a very pleasant and profitable time had been spent.
