Base Ball
The game at Limehouse last Saturday resulted in another win for the Georgetown nine by a score of 10 to 3. There was a large attendance and a good game of ball.

Blackburn and McGill were the battery for Georgetown. Lynn and Milliers were the battery for Limehouse.

On Monday, Civic Holiday, the local nine and St. Ann's of Toronto played in the Park here. As usual Georgetown won with a score of 18 to 9. There was considerable loose play on both sides at times, but the game as a whole was more than worth the price of admission.

Williams, Blackburn and McGill were the battery for Georgetown.

Everybody should attend the game next Saturday afternoon when Limehouse play their return game in the Park here. Game called at 8 o'clock.

Golf Tournament
Most enjoyable was the tournament held at the Georgetown Golf Links on Monday afternoon. Everything tended to make the day a complete success. The weather was ideal, while the soft green of the fairway made a perfect background to the rainbow hues of the ladies' frocks.

The various events were conducted in real golfing fashion and the skill shown by the ladies with club and ball proved the possibility that future champions would hail from the County of Halton.

Excitement ran high as the final drew near, as many tees had to be replayed to decide the winners, and amid great applause Mrs. Roney won the silver cup by one stroke from Mrs. Willoughby on the last green—a great game.

The gentlemen's programme was keenly fought and many buds Lynn took their ball to win the coveted prize. Many hopes were cherished as a weak putt put many out of the running and as the final drew near difficulty was experienced in keeping the crowds off the green.

So evenly were the final match played and the cheers that greeted Mr. Wm. McKay as he holed the last hole in three was a fitting conclusion to a grand day's golf thus winning by the odd stroke the silver cup from Mrs. Bruce Brown.

The prize winners were as follows:—
Ladies' 1st prize silver cup—Mrs. C. O. Roney. Ladies' 2nd prize salt and pepper—Mrs. J. A. Willoughby. Ladies' Long Drive—box of chocolates—Mrs. P. Coffin.

Gentlemen 1st prize—silver cup—Mr. Wm. McKay. Gentlemen 2nd prize—golf balls—Mr. Bruce Brown. Gentlemen 3rd prize—golf balls—Mr. Chas. Best. Gentlemen Long Drive—Mr. H. Coffin.

After the competition all enjoyed a cup of tea on the veranda. Mrs. Willoughby was assisted by Mrs. G. C. McKay, Mrs. Roney, Mrs. Corke, Mrs. Herbert, Mrs. Thompson. The tea table, which was decorated in white and gold, was presided over by Miss McLeod and Miss Bradley.

At the conclusion Mr. J. B. McKennie, on behalf of the players and visitors, thanked Mr. and Mrs. Willoughby for the opportunity and pleasure they had received in playing over the course and the keen enjoyment it gave to all. In replying Mr. Willoughby said he was pleased that everyone had enjoyed the afternoon and hoped the future would bring many cup winners to Georgetown.

Guarantors Meeting
A meeting of the Chautauqua Guarantors was held last Friday evening to wind up business matters for 1931.

The Secretary-Treas, Mr. E. R. Mimmis stated that the statement of receipts and expenditures was not yet quite complete but he presented an interim financial report which showed a deficit of approximately \$236.00 to be made up by the guarantors. All the guarantors who were present at the meeting paid their assessment of \$4.50 at once, and it is requested that all who have not paid will accept this notice to send the amount promptly to the Secretary-Treas. and thus save him a large amount of unnecessary work.

The meeting, while not as large as had been hoped for, was well representative of those interested in Chautauqua affairs, and in view of the deficit for two successive years, the question of the desirability of continuing to assume the responsibility from year to year for the return of the Chautauqua Circuit to Georgetown was carefully discussed.

The report showed that while more season tickets were sold this year than in 1930, the receipts from the sale of single tickets at the gate were considerably less; due probably to the prevailing business depression.

That there is a growing public interest in the Dominion Chautauqua is shown by the fact that the guarantors for 1932 number already 101, which is almost twice as many as in any previous year.

This has encouraged the executive Committee to complete arrangements for 1932, but they feel that if this organization is to secure the financial support which will ensure its continuance from year to year, it must be regarded not as the concern of the guarantors alone, but as a matter of community interest and support by the people of the district made up of Georgetown and all surrounding municipalities. If this is done, a public spirited way there should result, in place of a deficit, a surplus which could be devoted to objects of community welfare.

Terra Cotta Bandits
Get Two-Year Terms
Joseph Hopson, Arthur James O'Brien and Fred Barker pleaded guilty before Magistrate Crawford at Brampton last Thursday morning to breaking into the station at Terra Cotta, stealing an express parcel, and to taking an automobile from the premises of Andrew McDonald. The two first named also pleaded guilty to having firearms without a permit.

R. W. Lent appeared for the young men and pleaded for them on the ground that they were looking for work, and that their acts were the outcome of having neither money nor food.

Magistrate Crawford felt that the employment situation was becoming serious and that the young men would be better where they could receive food and care and learn a trade.

Consequently he sent the three to the Ontario Reformatory for two years on the first charge and one year on the second charge, the sentences to run concurrently.

Fernat Delaney, a member of the gang in notice of appeal of sentence, was allowed to go for one year on suspended sentence, to report monthly to the court.

Correspondence
Georgetown, July 30, 1931.
Dear Editor:

I beg respectfully to ask your permission to insert in the next issue of the "Georgetown Herald" the full facts of the assessment of Mrs. Anthony's property and her appeal.

On the 4th of March I assessed property owned by Mrs. Anthony, consisting of 80 acres, house and farm buildings for a valuation of \$1700.

A short time later I was informed by the Town Clerk that she had sent in notice of appeal of her assessment. As Mrs. Anthony's was the only appeal in, I called upon her and asked her the reasons of her appeal. She stated that she had no other help but herself to work the farm and that she could not pay the taxes. I explained to her that the assessment was not increased and that it had not been for the last 4 years, and that it was a valuable piece of property and should be assessed with a reduction of \$500. She replied "No" I want to go to the Court as I got no satisfaction to any of my complaints, referring to two previous assessments, and of boys employed and throwing stones and the poisoning of her dog. I explained to her that the Revision Court was not for that purpose, it was for the adjustment of assessments, appeals and advised her to obtain legal aid. Mrs. Bennett was present at the interview. At a later date I met Mrs. Anthony on Main St. and asked if she had seen her lawyer regarding the appeal. She replied "No, I will go and let you know the result."

The day of the voting for the By-law for the Tannery, Mrs. Anthony entered the lobby of the town hall. I went to open the door of the polling booth "No" when she said, "No" I am not voting, it's about my assessment appeal. I said "Well" She replied, "I have seen my lawyer at Brampton, and he advises me to withdraw my appeal."

She then left the polling booth. She replied "No", you get it. I then said I'll see Dr. Heath and get it for you. She said "No", you get it yourself and destroy it. She then left the building. I entered the booth and reported to Dr. Heath what had occurred. Mrs. Anthony's statement in your last issue and that she had a business that she went to the polling booth (town hall) as it was voting day, I beg to refresh her memory that no third party was present during or at any time of our conversation, and that she registered her vote at the town hall polling booth the day.

I am, Sir, your obedient servant
Francis McMillan.

P.S.—Dear Editor, am sorry to take up so much of your valuable time and space, but this is a matter of honour—F. M.
