The tax-rates for Oakville for 1921 will be \$3.75 mills. Last year it was \$5 mills. The reason given for the increase is that a large number of school, fire hall and waterworks extensions are being gone on with.

Being in the Ladies' Column that a new article of apparel was called a "Gunga Din," the curious editor looked up King's opinion. It said "Nothing more before and little less than half of that behind," which doesn't solve it.

George Dismore
The three young men from below Norval, charged with being implicated in the smashing of the windshield on Mr. P. L. McDermott's car when he was driving between Centerville and Norval one evening last week, appeared before Magistrate Dale on Friday evening at Georgetown. The evidence was not sufficient to make a conviction and it appeared as if one of the young men was not telling all he knew. All three were discharged.

Costs \$75 Damages
Judge Elliott has given his decision in the case of Skelton versus Esquimaux Township, which was tried in the County Court here on July 28. The plaintiff claimed damages from the defendants for the cutting of trees on the highway opposite his property without giving the legal 10 days' notice. There were four second growth pine and two small cedars. The man who got the trees from the township council for removing them, got them sawed, and they yielded him more than 400 feet of lumber and one cord of wood. Judge Elliott awarded the plaintiff, Skelton, \$75 damages, but he is to pay his own costs in connection with the lawsuit.

Garden Party at Limehouse
A monster garden party under the auspices of Limehouse Presbyterian Church will be held in High Park, Limehouse, on Tuesday evening, August 16th. The program will commence with an exhibition ball game at 6 o'clock sharp. At the conclusion of the game a high class entertainment will be given by the Fox Fun Co. of Acton. The ladies will have two booths on the grounds to serve refreshments. The grounds will be lighted by Delco Light kindly supplied by Mr. Walter T. Evans of Georgetown. The admission fee will be 25c for adults and 15c for children. "Let's all get behind and push."

Burlington Trucks Searched
At the Orangemen's celebration held at Georgetown last week, Government spotters, better known as "Boney's Bibles" visited the trucks which were used to transport the Burlington band boys to the celebration, and ransacked their belongings in search of liquor, and as was expected failed to find anything. It was a contemptible trick, and it is no wonder socialists and radicals are being bred in Canada under such conditions. In License Inspector Harvey, Halton possesses one of the best license inspectors in forty counties, who is quite capable of looking after the interests of the government in this county. The sooner Hapey is relieved of his duties the better it will be for the Drury government and the province generally. He is the wrong man for the job. The law should be upheld, but it should be done responsibly and not by the underhand methods employed at present.—Burlington Gazette.
