Notice to Chevrolet and McLaughlin Owners
We have been very fortunate in securing Mr. Pennell to take charge of our service. Mr. Pennell has had long experience in the final testing of Chevrolet and McLaughlin cars in Oshawa and comes to us highly recommended. We are now prepared to guarantee all our work as well as the parts used. We would also remind owners of either cars that the Company's guarantee ends when parts are used other than the manufacturer's make are used. Now that Chevrolet parts have been so greatly reduced do not let other parts be used on the plea that they will do, but come in and see for yourself the right price in the price list even though you get your work done elsewhere.
