

### Glenwilliams

Quite a number from here spent the afternoon at the Brampton races on the 21st.

The Organmen will parade to the Methodist church the second Sunday in June.

Anniversary services at Methodist church 3rd Sunday in June. Rev. Mr. Davidson of Georgetown will preach in the morning and Rev. Mr. Trumble, a former pastor, will preach in the evening. Special music on both occasions.

The Taxis Boys, numbering near 100, had a most enjoyable time here last Saturday. After going through the different factors they enjoyed the morning swimming in the Credit. After dinner, which was prepared by the ladies of the Methodist church, they enjoyed the afternoon playing baseball. Mr. Barrowford treated them to Ice Cream and gave them the use of his truck to take them home. This was the end of a perfect day for the boys.

Quite a large crowd witnessed the exhibition lacrosse game here on the 24th between Cheltenham and the Glen. The "Old Timers" showed remarkable form (both sides). This was a clean game. No one was penalized; game ended 6-6, a draw.

**You get all the cream with a De Laval**

Not every separator is designed so that it will get all the cream. But there is one machine that can always be depended upon to skim clean—the De Laval.

A De Laval separator gets more cream from the milk of each cow, gets longer service from his machine, and spends less time turning and working it. Ask any of them.

De Laval butter has won at every meeting of the National Butter-makers Association, with one exception.

## THE owner of a Light-Six never needs to apologize for his car.

It rivals the higher priced cars in all the essentials that cause permanent satisfaction.

The Light-Six L-head 40-horsepower motor with its machined crankshaft and connecting rods is remarkable for its smoothness, quietness of operation and freedom from vibration at all speeds.

It is a good looking, responsive car which is easy to drive and remarkably comfortable. Its deep, soft, genuine leather cushions and semi-elliptic springs, front and rear, assure riding ease. Its cow ventilator and parking lights add to its serviceability and fine appearance.

Insurance rates are reduced 15 to 20 per cent by the thief-proof transmission lock.

Vast resources, elimination of parts makers' profits and large volume, make possible the production of this unusual car at so reasonable a price—\$1495, f. o. b. Walkerville, Ontario.

And with that you get the benefit of Studebaker's seventy years' experience building quality vehicles.

## "Waiting for Bill"

"Good morning Rimer, through seeding yet?" "No, but we'll finish this week if the rain holds off - just waiting now for Bill to get back with the team." Waiting for Bill to get back with the team.

How many crops are doomed to failure "waiting for Bill"? The team is on the road when it should be on the land. The seed is in the sack when it should be in the ground - and the separator tells the story in half filled bins at threshing time.

The farmer who owns a Ford Truck loses no time "waiting for Bill." His hauling jobs never interfere with getting in his crops. Make up your mind to-day that you too will haul with a Ford Truck. We are prepared to meet you more than half way in the matter of terms.
