Norval

The spacious house and grounds of L. Col. and Mrs. Noble of Norval, were on sale on Saturday, June 8th. The occasion was the annual reunion of the descendants of the late Hon. and Mrs. Arnold, who came to this country about 100 years ago and settled and lived their lives on a farm on the base line of Chingowee township. Of their ten children three still survive, being Mr. James Arnold of Brampton, Dr. Henry Arnold of Hamilton, Mr. W. J. Arnold of Stouffville, their aggregate ages being 283 years. These were all at the reunion and along with the others, upwards of 80 sat down at the table at the noon hour. Community singing and toasts supplied the program. In the afternoon races and games were indulged in. The gathering dispersed in the early evening after spending a pleasant time together. Most of the descendants still reside within 100 miles of the old homestead.

Stewarttown

The joint meeting of the Bequeathing and Georgetown Women's Institutes was held in the Township Hall, Stewarttown, on Wednesday, May 31st. There was a good attendance from both branches. Dr. Annie Ross of Guolph was the special speaker for the afternoon. Her subject was "What is Worth Salt, Physically, Educationally and Socially." The Georgetown branch provided a very pleasing program which was enjoyed by Miss Harrison and Miss McGowan sang solos and Miss McDonald gave a reading. Lunch was served jointly by both societies and a pleasant hour spent. From an old Stewarttown boy at Brantford the W.I. received the following:

Mrs. Bailey—Your letter of May 25th to hand—pleased to learn that some one is taking an interest in Stewarttown Cemetery. I have not paid a visit to the town recently but hope to have the pleasure of doing so this summer as Stewarttown is a dear old place in my memory of childhood days. Enclosed you will find \$10 as my portion of the family share and if this is not sufficient to complete my share of the worthy effort being undertaken by the Women's Institute, please write me again as I am willing to do all I can to assist you in your effort to fix up the Cemetery. Thanking my small donation will assist you in your effort and wishing you every success with the same.

Yours truly,
W. J. Kiskley.

The regular monthly meeting of the Bequeathing Women's Institute will be held in the Township Hall, Stewarttown, Friday afternoon, June 9th at 2.30. Roll call of members to be answered by a recipe for a summer salad. All are welcome.

Boston Anniversary

Services will be held on Sunday, June 11th, at 11 a.m. and 7.30 p.m. Rev. Mr. Dadds of Cheltenham will conduct the services. Rockwood Quartette will have charge of the singing. Special offerings at both services. On Monday evening a Garden Party will be held on Mr. James Murray's place adjoining the church, lot 6, con. 4, where the following talent will take part in the programme:—James Fax, humorist; Lina Crane, soprano; Charles Stanley, baritone; Mayne Mason, pianist and accompanist; Little June Frank, child singer; Mountain Bros., 3 piece Hawaiian Guitars, 3-piece Frank Orchestra. Refreshment booth on grounds. Rev. R. McDermont, chairman. Admission 25c and 15c. Early comers will have the privilege of having their cars parked where they can hear the programme from them.

Beekeepers' Picnic

The Toronto Beekeepers' Association held their annual picnic and convention at the home of the Pettit Apartments, Georgetown, on the 24th of May. Other beekeepers' Associations joining with them were from the counties of Halton, Peel, York, Wellington and Waterloo.

Besides local speakers on beekeeping subjects the gathering was addressed by Prof. Millan of the Ontario Agricultural College and Mr. E. R. Root of the A. D. Root Company of Medina, Ohio. Picnic lunch was served on the lawn and something over one hundred and fifty people sat down at the tables. The day was fine and all enjoyed a perfect day.

Summer is coming!
How can we tell?
The skeeters have started
To bite like—well!
Summer is coming.

Base Ball

There was a good attendance at the ball game in the Park on Saturday when the home team from Georgetown in a closely-contested game. The score by innings was as follows:

R.	H.	E.
Georgetown	10001000	2 8 0
Acton	00000000	3 9 4

Halleries, Georgetown - Blackburn and McGill.
Acton - Waddell and Joe Kentner.

Blackburn had 12 strike outs and Waddell 10.

Hurlingham will play our home team here on Saturday afternoon. The Provincial Coating Mill ball team will play a game at Hurlingham with the home team of that village on Thursday evening at 6.30.

High School Notes

The shooting match for the Strathcona County Medal was held on the High School grounds here on Saturday last. Five teams from Milton and five from Georgetown competed. The high score was made by Ross Cameron, who got the medal. Major Grant umpired the match. Winners of the medal in the Georgetown High School Competition are: (1) Corke 41, (possible 50); (2) Hosking and Cameron 37; (3) Holger 36; (4) Green and Young 35; (5) Campbell and C. Harby; (6) Thompson 35; (10) W. Muldoon and King.

Boy Scouts

The meeting will be in the Drill Shed again this week and a real good time is expected. Each boy working individually for the benefit of his Patrol, and the Patrols working for the benefit of the Troop will certainly ensure this.

The Troop as a whole is doing splendidly and the number of useful subjects that are being taught, either in the form of games or work, will surely be of advantage to the town itself in the near future.

There is still a lot of room for improvement but by each Scout and Cub trying their hardest to live up to the Scout Law we shall soon have the dandiest Troop in Canada.

To Scouts and Cubs—be prepared and do your best.

Settled Better Case

The action brought against the Toronto firm for damages by Georgetown Creamery for using their wrappers on light weight butter, has been settled out of court. The defendants paid the fine and all expenses in connection with the case.

Burglars at O'Neill's

J. N. O'Neill and Son's garage was broken into early Sunday morning and over \$500 worth of tires and other auto accessories stolen. The thieves had one of the big Studebaker cars in the show room also loaded ready to take with them but were unable to break the lock on the big door leading to the street. This is the second time this garage has been robbed within a few months.

A Satisfied Customer

A gentleman from Rochester, N. Y., under date of June 2nd, writes Mr. Moorehead at Georgetown as follows:—"Some days ago I obtained at your store some chocolate of very fine quality. I wish to procure some more of it and am enclosing my check for \$3.40 in payment thereof and for parcel postage. Please send me by parcel post as much as this will pay for."

Missionary Rally

On Saturday afternoon a successful Missionary Rally was held in Knox Presbyterian Church under the auspices of the W.M.S. Its object was the stimulation of interest in, and the providing of funds for, mission work. Mrs. H. P. Lawson presided and the devotional exercises were taken by Mrs. Robertson and Mrs. Ralph Ross. Miss Dickson, missionary on furlough from China, gave a vivid word picture of her work among our eastern sisters. Her address was listened to with keen interest and enjoyment and at its close Mrs. Lawson expressed the sentiments of those present in a few well chosen words of appreciation. After the meeting all repaired to the lecture room where delicious refreshments were partaken of and a pleasant half-hour spent in friendly converse. Miss Leslie contributed a pretty solo and the ringing of the chimes was an enjoyable feature of the afternoon.

When you want a good reliable boot

Try a Dayfoot, warrant of solid leather, at Roney's. You can't get a better fine boot to wear and give satisfaction than the McPherson tan or black boot and I have them in all sizes at \$5.00. These same boots are selling in Toronto at \$9.00.—J. Roney, Georgetown.

Trade Your Old Furniture for New

TRADE it for new, but still keep the old. Thousands of people have done it, and are doing it every day.

They do it by doing over their old furniture with Vernicol varnish stain.

No matter whether you prefer mahogany, walnut or oak, there is a Vernicol stain for each. And because it has such long-lastingness it's fine for floors.

Come in and see the sample panels and ask for interesting literature.
