Died
CAMERON—At Collingwood, Ont., on Wednesday, June 14th, 1922, Angus Cameron, son of Mr. and Mrs. James Cameron, aged 2 years and 9 months.

In Memoriam
McPHERSON—In loving memory of J. N. McPherson of Norval, who died June 27th, 1920.—His Wife.

WHAT MIGHT HAVE proved a serious accident occurred at Council Chamber, Stewarttown, on Sunday last when two autos collided. Fortunately no one was seriously hurt. This has always been a dangerous corner for vehicles and especially for autos. Now before a real serious accident happens could not the Council Chamber be removed to the site near where the old hotel used to stand?

ON MONDAY, JULY 3RD, the ratepayers of Georgetown will vote on a by-law to loan the Arena Co., composed entirely of Georgetown citizens, the sum of \$10,000 to assist in building an up-to-date skating and curling rink. The loan asked for is amply secured by the Arena Co. putting in \$12,000 in cash and giving a first mortgage on the building to the corporation. For the future welfare of our young people it is absolutely essential that a town like Georgetown should provide good, clean, healthful amusement, and we urge all ratepayers who have the welfare of our town at heart to vote for the By-law on July 3rd.

Glenwilliams
The Glen Orange Lodge, accompanied by their wife and children, visited Cheltenham lodge last Wednesday evening. The band played a program, followed by speeches, after which a delectable lunch was served. The lacrosse game last Saturday attracted a large number of spectators and they had the pleasure of witnessing a good game, although the final result was unfavorable to the Glen. The score stood 7-3 at the finish. A little more practice and combination work on the part of our boys will yet make a winning team. It is rumored that Bolton had a couple of "ringers," but we understand the game is not protested. "Pat" Henry of Brampton was the referee. Mrs. W. H. Preston who underwent an operation at Guelph Hospital last Wednesday is progressing favorably.

Terra Colla
Mr. W. J. Rutledge has the contract of furnishing three thousand yards of gravel and a number of teams are busily engaged hauling the gravel to Allan. Mr. J. Eaves, we are pleased to learn, is now able to be around again as usual. The Brick Yards are running to their fullest capacity at present. A number from here took in the farmer's picnic at Erin on Wednesday afternoon. All report a good time.

Boy Scouts
Say Scouts! Have you started saving for a camp yet? The summer is here and its time to be making some plans. There is no camp at the Ex this year, so we will have to fix up something else. We must have some swimming paradises too, because its part of our training. Don't forget the parade, on Friday next, and bring your staves, you will need them, 7.30 at the Drill Shed. That's some ideasinging gun, etc. at the ball games, every little helps toward camp funds. Don't forget your fire drill and your part in the Demonstration, July 1st. And listen! Have you done your good turn every day? Remember your promises.

Remember Mt. Pleasant garden party, on June 27th, at Mr. Jas. Eccles, lot 13, 3rd line West Chingoucouy. I have given the Dayfoot Co. an order for specially made boots No. 393, improved with back outside counter for any man customer. Solid leather all through and made by the best experienced workmen and a reliable firm.—J. Boney, Georgetown.

McClures Hold Big Re-Union

Nearly 500 Gather on the Old Homestead Near Churchville

The farm of S. J. McClure, lot 12, 182 line west, Toronto township, was on Thursday last the scene of one of the most remarkable re-unions ever held in the county of Peel, 475 descendants of James McClure who settled on the same place in 1820, gathering from various points in Canada and the United States. So far as Peel County is concerned, the family is an historic one, as 103 years ago three brothers, James, John and David, came out from Ireland, in spite of the fact that they are Scotch, and laid the foundation for the big clan which gathers on the old homestead. The extent to which they have spread is indicated by the fact that there were members present from as far distant as Saskatchewan; and though one of the family was from the north by townships or towns or cities, there was a considerable sprinkling from Western Ontario and the United States. Even at that, it was pointed out by Dr. W. O. McClure of Elyria, Ohio, that after having given considerable study to the family tree, he was forced to admit that there is still a portion of the clan located around Bramburg with whom they have not yet gotten in touch.

The entire company sat down to dinner, which was served in the barn, specially decorated for the occasion. The afternoon was employed in speech-making by Dr. W. P. McClure, Elyria, Ohio; Darius McClure, Toronto; John McClure, Toronto; Dr. W. O. McClure, Cleveland; D. J. McClure, Brampton. The oldest members of the family, all ranging in age from seventy-five to eighty-six years, were photographed, the following posing before the camera: Andrew McClure, Norval; William Ellis, Norval; Dr. Chisholm, Toronto; W. J. Arnot, Hamilton; Mrs. Geo. Wilson, Churchville; Mrs. Wm. McClure, Brampton; Mrs. John McClure, Norval; Mrs. Ann McClure, Toronto; James Arnot, Brampton; Mrs. Wilmotby, Walford; Joseph McClure, Walford; Mrs. John McClure, Brampton; Mrs. John McClure, Georgetown; Mrs. W. J. Arnot, Hamilton; Mrs. Thos. McClure, Brampton; Mrs. Thos. McMeekin, Brampton; Mrs. John Fraser, Huttonville.

Jasper Park Lodge Opened
Jasper Park, Alberta, June 18th. With the untiring of the Union Jack by Mrs. H. C. Fleming of San Francisco, the first guest to register, and hoisting it into position in front of the main building by Mr. John M. Imrie of the Edmonton Journal, Jasper Park Lodge was opened to the public to-day. The importance of this event is chiefly in the fact that it is the first step to be taken by the Canadian National Railways in providing recreation buildings for the accommodation of tourists in this splendid mountain playground, set aside by the Dominion Government, consisting of 4,400 square miles in the heart of the Northern Canadian Rockies. The assembly for the opening represented guests from Australia, United States, Pacific Coast points, the Prairie provinces and Eastern Canada. The Lodge is of artistic log construction, enclosing large lounge building, dining hall and separate sleeping quarters.

Royal Arch Masons

On Friday, June 16th, the Royal Arch degree was conferred for the first time in the history of Freemasonry in Georgetown in Halton Chapter by Excellent Companion Faraday and the officers of Peel Chapter, Brampton, ably assisted by Excellent Companions MacKenzie and Galbraith of St. Clair Chapter, Milton.

In spite of the terrific electrical storm and torrential rain there was an excellent attendance. The beautiful Royal Arch work was exemplified in a faultless manner to the delight of all present. The companions then adjourned to the library, where Excellent Companion H. Corke, First Principal of Halton Chapter, and his officers and companions entertained the visiting companions, a banquet being first enjoyed followed by a high class entertainment by Mr. J. H. Cameron of Toronto. The following toast list was honored:—The King and the Royal Craft with musical honors. The Grand "Z" and the Grand Chapter proposed by Excellent Companion Halton, responded to by Very Excellent Companion Armstrong. The Visitors, proposed by Excellent Companion Meir, responded to by Excellent Companion Faraday, 1st P. Peel Chapter, MacKenzie, 1st P. Peel Chapter, Galbraith, 1st P. Peel Chapter, Conover. The Ladies, proposed by Excellent Companion H. Corke, responded to by Mrs. Coe. The candidates were then called on and were represented by their members, Companions Dr. Gollig and Campbell. Halton Chapter, proposed by Excellent Companion Lowry, responded to by Excellent Companion H. Corke, 1st P. Halton Chapter.

Musical honors were then given by Halton Chapter to the visiting Chapter followed by the Principal Sovereigns toast and Auld Lang Syne, closing a very happy and memorable evening.

High School

FORM-II PROMOTIONS
Hon.—Reginald Lambton, Dorothy Fraunton, Mina Saxe, George Henry.
Passed: Aileen Hume, Richard Sandusky, Donald Russell, Stanley Barth, Aileen Moore, Cecil Barth, Clarence Benham, Doreen McLaughlin.
Promoted Conditionally—Marie Graham, Wakefield, Ford, William Trank.

FORM-I PROMOTION
Pass—Lillian Watson, Victor Norington, Diabon Bae, Jack Hume, Clarence King.
Promoted Conditionally—Mildred Fleck, John Boryngour, Jack Lindsay, Hazel Hogbes, Madeleine Mullin, Roy Puckering.

Lawn Bowling
The following item of interest to the ladies was received to late for our last week's issue:—The members of the Ladies Bowling Club held their annual opening on Friday afternoon when a large number of ladies were present and enjoyed a fine afternoon and evening's bowling on the splendid greens. Tea was served from five to seven. The ladies are very enthusiastic this year and a splendid programme of games has been arranged with rinks from outside town and cities. Rinks will be sent to the Ontario Tournament to be held in Toronto on June 28 and 27. Here's hoping our girls will bring home some of the silverware.

Tennis Club

The Georgetown Tennis Club has been organized and the following officers elected for the ensuing year:—Honorary President—L. B. Dale; President—H. B. Mimms; Vice-President—Miss Davidson; Sec. Treas.—Miss H. Henderson; Rules and Tour Committee—H. Coffin, Josephine Wilson, Miss McLeod, W. B. Ford; Grounds Committee—A. Cole, E. Cole, John Farmer, J. C. L. Lewis, N. Henderson, H. Mimms, T. Nalle; Social Committee—Mrs. Mimms, Miss Miller, Miss McCausig, Miss Campbell, Miss Wilson, Miss Kennedy, Miss Annandale, Miss Fleck, Miss Edna McDonald.

ONLY A TOUCH
Only a touch of a woman's hand, Lightly upon His gown,
But it thrilled her heart to its very depths,
And cheered the soul cast down.
Only a touch, but the healing power
Brought peace to her sad heart,
And her face was alight with deep content joy.
As she felt the pain depart,
Only a touch, but the Master knew,
And turned with words of cheer,
To the humble woman, amid the throng,
Who crowded, listening, near.
Only a touch, but the power divine
Forced on his spirit now,
Casting out the evil which haunts our hearts
And filling them with love.
Only a touch as from day to day
He walks with us along,
But that touch gives strength to the fainting heart,
And cheers our hearts to song.

J. A. TRACY

Chautauqua Coming

Will Be Held in Georgetown Park July 10th to 15th

Almost before you realize it, the big brown Chautauqua tent will rise and for six joyous, inspiring days it will be a real community centre, where young and old will gather daily to enjoy the intellectual and musical feasts provided by your committee. A glance at the splendid program as announced would indicate that the Dominion Chautauqua management has outdone itself in providing a most attractive program of genuine merit. It is the Fifth Anniversary for Chautauqua in Ontario, and a special effort has been made to celebrate the event by presenting the best program so far provided. Secure your season ticket from any member of the local Committee.

Base Ball

Georgetown Ball team played a schedule game at Campbellville last Saturday afternoon and defeated the team of that village by a score of 9-6. Now that Georgetown has struck a winning nail we hope to see them at the top of the league again. The score by innings was as follows:—

LEAGUE STANDINGS

Team	Won	Lost
Bronte	8	2
Milton	8	2
Acton	8	2
Georgetown	2	8
Campbellville	2	8
Burlington	2	8

Georgetown junior ball players visited Acton juniors on Saturday and played a tie game the score being 11-11. Batteries, Acton—Gibben, Mascola and White. Georgetown—Walters, Green and Allen. Our juniors are entering the Junior Halton League and all who are interested are requested to meet at the Bank of Montreal rooms on Friday evening at 8 p.m.

No More Home Brew

The theory that "every Englishman's home is his castle" receives a jolt in the news from Ottawa to the effect that Hon. W. S. Fielding has extended the scope of prohibition to include the brewing of beer in homes, for domestic use. Hereafter, a householder who desires to brew beer for himself and family must, in order to do so, take out a high proof brewer's license, furnish bonds to the amount of \$3,000, and pay excise duty on all beer he brews. Of course, the brewing of these conditions illicit home-brewing will cease.

Thus one more queer anomaly is added to our anomalous system of prohibitory laws. Ontario housewives are at liberty to make wine for family use—wine with as much alcoholic "kick" in it as can be developed by the operation of natural law. She may be able to produce a beverage with a 25 per cent alcoholic content—the sort of wine which has been denounced in so many impassioned prohibitionary oratory—the sort of wine which is the subject of oft-quoted scriptural warnings. And yet the man of the house is forbidden to brew a mild malt beverage having an alcoholic content of 4 per cent.

The trouble appears to be that the privilege to manufacture beer for domestic use has been abused in a great many instances, which fact led to the request of the temperance forces that the right to brew in homes be withdrawn. Whether the new law can be enforced is at liberty to make wine it will certainly be difficult.

Farm Specials

Just a real good little farm of 75 acres, brick house of six rooms, good bank barn, fifty horses workable, fifteen bush and ten pasture, extra well watered. Price \$4700. Possession can be had in thirty days.

Choice little farm of 47 acres inside corporation of Georgetown, nice young orchard, neat house and basement barn with good stabling.

If in need of a large farm consult us as we have listed for sale any size or price of farm you might be looking for.

Railway News in Brief

Messe Law—Work will be commenced in the next few weeks on the new Dominion Express Company building which will be situated west of the Canadian Pacific office building and north of the present express and baggage building. It is expected that within the next few weeks a given of the ground for the subway approach to the tracks will be continued.

Wainipeg—Among the travellers on the Canadian Pacific outbound train which passed through Wainipeg a few days ago was little Doris Bennett, nine years old, on her way from her home in Wainipeg, England. She travelled quite unaccompanied and sailed from St. John on the Canadian Pacific liner Montclair to attend school in England. Children travelling on Canadian Pacific trains are given a special looking after by officials and stewardesses.

Galt—A new modern joint station for the Lake Erie and Northern and Grand River Railways is being planned for Galt in the immediate future. Mr. W. Kirkwood, General Manager of the two lines, was in Montreal last week and as a result of his trip he has been received the general appropriation covering the money necessary for the new station. The location of course will be in the vicinity of the present temporary equipment on Main street. It is expected that the plans will be in readiness soon and contracts for the new building let immediately.

Saskatoon Falls—During the past week 27,000 square miles of the west have been given to the employees of the C.P.R. here, and also to the wives and daughters of employees and the ladies of the town in general. The given by the C.P.R. is the company's first aid instructor for the St. John's Ambulance Association. The people deeply appreciated the privilege extended by the management in allowing them the services of a first aid instructor. Dr. Gray was assisted by the general secretary of the C.P.R. First Aid department in the examination of the candidates. Dr. Gray expressed great satisfaction with the general knowledge displayed by the students.

Ottawa—There are in Canada at least 27,000 square miles of west bog, with deposits from five to ten feet deep, and it is estimated that each square mile contains on an average the equivalent of 450,000 tons of coal. The Council for Scientific Research at Ottawa after considering the problem of making Canada's fuel consumption less dependent upon the United States, induced the Dominion and Ontario Governments to appoint jointly a post commission which carried out an extensive experimental development work at the Alfred post bog, on the Montreal-Ottawa line of the C.P.R. The product was sold at profitable prices in competition with coal, and it is expected that a flourishing peat industry will eventually be founded.

Wainipeg—Western Canada recently welcomed the first contingent of its 1922 army of settlers from Europe and the United States when 350 persons—men, women and children—arrived at the Canadian Pacific and Union depots. Immigration officials state that the influx for the season definitely is "on." All these settlers will go on the land in Manitoba and the western provinces. The new arrivals, for the most part, are family parties with effects or money, or both, and their intention is to farm on the prairie and not to migrate to the cities.

Manitoba—Share of these settlers was a farmer group of 111 persons who expect to locate on farms. Family groups composed this party almost entirely of children. Parties were bound for Saskatchewan, Alberta and British Columbia. A party of 50 immigrants arrived from Roscoe, Minnesota, and was accompanied by 9 cars of effects. All are bound for the western provinces. Hazel Dell, Saskatchewan, was the destination of 8 of the party, the rest went to Edmonton, Lethbridge, one to Girdle, Alberta, and one to Cudworth, Saskatchewan.
