Special Notice SHOE REPAIRS

The only fair way to do any kind of a job is by doing it right the first time. In the future I will charge so much for the material used and a reasonable price for the time it takes to do the work, this will cause my prices to vary, but in shoe repairing charging a customer who wears a 9 shoe the same price as the one who wears a 10 or 11, is not really the proper thing to do, as the party with small feet is helping to pay for the one with the large. I range my prices according to the size of the shoe or heel used not the size of shoes. Soling and heeling will range from 75c to \$2.00. Whole soles, new heels, repairing wells, sewing toe caps, etc. will cost extra. I don't repair while you wait, as this is not a proper or paying system. I have the experience, tools, machinery also the biggest trade for repairing in this section of the county. All repairs receive the very best and prompt attention. Shoes called for and delivered.

Women should Insist

No matter what you buy in kitchen utensils, demand that each article carry the SMP trade-mark shown below. SMP Enamelled Ware is safe to use; neither acid nor alkali will eat, affect it; it cannot absorb odors, stains, grease, etc. It is made of the best materials and is guaranteed for years. Tell the storekeeper you want either.

SMP Diamond or Pearl WARE

Enamelled Ware is a three-coated enamel steel, sky blue and white enamel with a heavy white base. Pearl Ware is enameled steel with two coats of pearl grey enamel inside and out.

They Want what they read about

The standards of living for the average family in Canada grow higher each year. The luxuries of yesterday are the necessities of today. People in the smaller towns and on farms want the newer things they read about.
Dry Goods Stores, Grocers, Shoe, Hardware and Paint Stores, in the smaller towns, all find they can show the newest things by carrying small stocks of them and re-ordering by Long Distance. The jobber or manufacturer's warehouse is at their elbow — their order departments are alert for telephone trade!
Shipments are often made the same day. Up-to-date-ness of merchandise is no longer confined to the big city stores — and large sums are not locked up in stock.
Try it. Have a big store in a small town. "Use the Bell to Sell" — and to Buy.

"BUILT-IN-Canada"

Light-Six Touring
Now \$1375

In seven months this year Studebaker built and sold more cars than during the entire year of 1921. And 1921, in spite of a general business depression, was the biggest year in Studebaker's 70 years' history.
That's why you can buy a Studebaker Light-Six today at its new low price of \$1375 — the lowest price for which it has ever sold and the lowest at which a car of such quality was ever offered.
This steady volume of business, plus the savings resulting from Studebaker's methods of complete manufacture, reduces manufacturing and selling costs. And it is a Studebaker policy of long standing to share these savings with the customer. Hence, the new low prices.
Only the price is reduced. Quality is better than ever.
Stop in and see the Light-Six. Let us demonstrate its easy handling, its lack of vibration, its great comfort. Let us prove its endurance. Then drive it yourself.
Rain-vision slanting windshield; cow light; combination robe- and hand-rail across back of front seat; outside and inside door handles; carpet-covered foot rest in tonneau; gasoline gauge on tank in rear; complete set of tools; tire carrier in rear with extra rim.

THIS IS A STUDEBAKER YEAR

WHERE ONE BLADE GREW

It is not always the best soil that yields the richest harvest. Much depends upon the man who cultivates the soil, and the measure of his success is the measure of his intelligent industry and thrift and ability to make the most of opportunity.
The successful farmer cultivates his money as carefully as he cultivates his land. He gets returns from his crops, and he gets returns from his funds. This Bank in any part of the Dominion adds interest to the money saved by industrious farmers. Our nearest Branch is at your service.
