"OH, MEN!"

What can we do to please you men? We'ver tried and tried and tried barns. But every new thing that we do Is made a joke by all of you.

A year or two ago or so. You funcd and made a holy show Because we were our hair a friz. Although it was none of youy biz So then we used a little guile, And set about to change the stylet Brown's Garage

Because we did it in a bun. -We did pretend we didn't care Whether or not you liked our hair, But when you sneered because

twas gobbed. We slyly, shyly got it bobbed And now you are not satisfied, But still you snicker and deridet First thing you know, our heads

we'll shave And let you rave and rave and

Boy Scouts

2nd class scouts meeting, Thursday, at 8 p.m., schoolroom. Regular Scout and Cub meeting on Friday at 7.80, Drill Shed. There will be Test Classes and games for that night. Will the boys who have not paid their camp fees please do so as we want to get our books up-to-date. And the other boys who are not very regular in their attendance.

If you intend to leave please return all badges, etc. belonging to Troop, but better than that, change you mind and don't quit. Lets' make this the smartest troop in Canadat We can do it.

-Fall Millinery and Ready-towear hats. See them at the Misses Claridge parlors, Herald

Navigable Waters Protection Act

The Hydro Electric Power Commission hereby give notice that it has under Section 7 of the Navigable Waters Protection Act, deposited with the Minister of Public Works at Ottawa, and in the office of the Registrar of Titles for the County of Wentworth at Hamilton; Ontario, a description of the site and plans of a Steel Tower Transmission Line to be built across Burlington Ray in front of Hamilton

And take notice that after the expiration of one mouth from the date of the first publication of this notice the Hydro-Electric Power Commission will under Section 7 of the said Act apply to the Minister BEST SCRANTON COAL of Public, Works at Ottawa for the approval of the said site and plans, and for leave to construct said Steel Tower Transmission Line.
August 26th, 1922.

Special Notice SHOE REPAIRS I The only fair way to do any

kind of a job is by (piece work price) so in the future I will charge so much for the material used and a reasonable price for the time it takes to do the work. this will cause my prices to vary, but in shoe repairing charging a customer who wears a 51 shoe the same price as the one who wears a 10 or 11, is not really the proper thing to do, as the party with small feet is belping to pay for the one with the larger. I range my prices according to the size of the sole or heel used not the size of reasonable price. shoes. I soleing and beeling will range from 75c to \$2.00. Whole soles, new beels, repairing welts, sewing, toe caps, etc. will cost extra. I don't repair while you wait, as this is not a proper or paying system. I have the experience, tools, machinery also the largest trade for repairing in this section of the county. All repairs JUNK WANTED attention. Shoes called for and
