

**WHEN I AM OLD**  
When I am old I would like to be  
From selfish thoughts and actions  
free,  
Mellowed—not sour—by the pass-  
ing years,  
That have had their share of trials  
and tears,  
That is how I would like to be  
When I am—well, say seventy-  
three.

When I am old I would like to be  
From selfish bigotry quite free.  
Kind in thought, in word and  
deed,  
Just to all what e'er their creed.  
Quick to set the "friend in need,"  
That is how I would like to be  
When I am—well, say seventy-  
three.

When I am old I would like to be  
From selfish murmuring quite free.  
Quietly waiting, without a fear,  
For the "call" that I'd know I  
soon must hear,  
With a heart still young and a  
conscience clear,  
And feel that people thought of  
me  
As a "kind old soul," at seventy-  
three.

**He Can't Forget**  
Quietly she slipped up behind  
him and put her arms about his  
neck. "Charlie, dear, do you rem-  
ember what day to-day is? He  
thought for a moment. "It wasn't  
his birthday and it wasn't his. It  
might be Friday the thirteenth—  
and then he remembered. "It's  
our wedding anniversary, sweet-  
heart." "Yes, dearest, just three  
years ago to-day we came to our  
little home. Do you remember  
the first meal I cooked, remember  
my first cake? "Honey, I will  
never forget. I look on that cake  
as the first milestone on our road  
to happiness! And the light was  
on."

**RECENT AMENDMENTS TO THE  
Assessment and Voters' Act**  
of Ontario will place women on an  
equality with men on and after  
January 1, 1923. That is to say  
when the voters' lists are printed  
next year the women's names will  
appear as well as those of the men  
so that when election time comes  
round in January, 1924, the women  
will be able to vote in the various  
municipalities for the election of  
controllers, aldermen, reeves or  
councillors with the result that  
the present number of voters will  
be doubled. The changes will  
give the wives of property owners  
and tenants alike the privilege of  
voting and in cases where the  
wives are registered owners or  
tenants their husbands will have  
the like privileges. In some local-  
ities it has been thought the Act  
would become effective in 1923  
so that women would have the  
right to vote next year, but this  
view is mistaken. When the as-  
sessors prepare the list for 1924  
they will insert the names of as-  
sessed women entitled to vote as  
owners and tenants and the names  
of their husbands or wives  
as the facts of ownership demand.

**Special Notice  
SHOE REPAIRS**  
The only fair way to do any  
kind of a job is by (piece work  
price) so in the future I will  
charge so much for the material  
used and a reasonable price for  
the time it takes to do the work.  
This will cause my prices to vary,  
but in shoe repairing charging a  
customer who wears a \$5 shoe the  
same price as the one who wears a  
10 or 12, is not really the proper  
thing to do, as the party with  
small feet is helping to pay for the  
one with the larger. I range my  
prices according to the size of the  
sole or heel used not the size of  
shoes. I soiling and hemming will  
range from 75c to \$3.00. Whole  
soles, new heels, repairing welts,  
sewing, toe caps, etc. will cost ex-  
tra. I don't repair while you  
wait, as this is not a proper or  
paying system. I have the experi-  
ence, tools, machinery also the  
largest trade for repairing in this  
section of the county. All repairs  
receive the very best and prompt  
attention. Shoes called for and  
delivered.

of these bonds who desire to continue their  
investment in Dominion of Canada securities the  
privilege of exchanging the maturing bonds for new  
bonds bearing 5½ per cent interest, payable half yearly,  
of either of the following classes:—

(a) Five year bonds, dated 1st November,  
1922, to mature 1st November, 1927.

(b) Ten year bonds, dated 1st November,

**Studebaker**  
LIGHT-SIX  
CLOSED CARS

Present prices are the lowest  
at which Studebaker Light-Six  
closed cars have ever been sold.  
Yet the intrinsic values are  
emphatically the greatest  
Studebaker ever offered. This  
means they are the best values  
that the industry affords, be-  
cause Studebaker cars have  
always been above par in the  
amount of value per dollar  
invested.

Capacity production and the  
savings resulting from Stude-  
baker methods of complete  
manufacture make these low  
prices possible.

Light-Six closed cars are  
sturdily built of finest mate-  
rial and best workmanship.  
The bodies are the product of

Studebaker skill and craft-  
manship, and the prices of  
\$2225 for the Sedan and \$1775  
for the Coupe-Roadster are no  
index to their inherent value.

When you buy a car you  
want to look at several makes.  
Include Studebaker in your  
list and after you have ridden  
in the Light-Six Sedan or  
Coupe-Roadster it will not be  
difficult to make up your mind.

The foundations of Stude-  
baker success are quality,  
durability, comfort and integ-  
rity—principles that have been  
upheld steadfastly by Stude-  
baker for seventy years. You  
can depend upon Studebaker  
automobiles because of the  
name they bear.
