## THANKSGIVING

There can be no true Thanksgiving with ill will or hatred in your hearts towards others.

As you participate in the festivities of the day, use moderation and judgment.

As you have been best, let it measure your Thanksgiving blessing to others.

Don't think Thanksgiving time is a special opportunity for you to indulge in riot, racket, revelling and feasting.

As you surround your thoughtfully spread table be thoughtful of your neighbor who may have only a crust.

Since few things are so bad but they might be worse, there is always something to be thankful for.

Many Turkeys will be stuffed for Thanksgiving, but show them more wisdom than to "stuff" yourself.

Nothing is lost by occasionally stopping the busy, buzzing wheels of business to return thanks to the bountiful Giver of all good.

If you are truly thankful in your Thanksgiving, you may well be thankful for the thankfulness that enables you to have a true Thanksgiving.

With malice toward none and charity for all, enjoy your Thanksgiving.

To always look at life's sombre side is disheartening; the hopeful view is what buoy us up and causes gratefulness to spring up in the heart and fill the soul with Thanksgiving.

Thanksgiving day is the one day in the year when the nation turns to heaven in thanks for its preservation. The life of the nation is the principal consideration, not only in life, but its health, and its preservation in that condition in which it was established by the fathers of the country. Men can thank God for their accumulations or supplicate Him to lighten their burdens, but that is not the purpose of a national thanksgiving. The nation itself, the political structure which was framed and handed down—it is the preservation of this for which the people are to be thankful.

## Scout Notice

Thursday evening of this week will be a special scout night. The programme will be demonstrating parade, 1st aid, signaling and exhibition of scout craft. Refreshments and camp fun.

The last scout night, proving so successful and several scouts were unable to be present having asked for a repetition, we have decided to do so, only that at this meeting the proceeds of the open collection will be sent to the scout troops who lost the whole of their equipment and uniforms in the great fire recently. We trust we shall receive your liberal support.

Field Day with Acton Scouts on Thanksgiving Day, 9 a.m.

## Erin

Mrs. Stewart and little daughter of Toronto are visiting with her parents, Mr. and Mrs. J. A. Lindsay, 7th line.

Mr. and Mrs. Gordon of Bolwood spent the week end with Mr. and Mrs. W. Jackson, 7th line.

Mr. J. C. MacArthur, Rockside, Ont., announces the engagement of his only daughter, Dorothy, to Alexandria (Dot), to Mr. W. Morris Teeter, son of the late Lewis and Mrs. Teeter, Erin township, the marriage to take place the first of November.—Advocate.

## Action

Mr. J. B. McKenzie's planing mill was damaged by fire last Tuesday morning. The fire originated at the electric motor, and it is supposed defective wiring was the cause of the fire. The motor had not been running from three o'clock on Monday afternoon. The loss is estimated at about \$300 and is covered by insurance.

Cameron Johnston, who had been in Guelph Hospital for five or six weeks, since the severe motor accident which befell him, was brought home last Friday. He is convalescing nicely, but it will be some time yet before he is able to walk.

There appears to be a fair crop of winter apples within delivering distance of Acton after all. Spies and kings have been selling about town during the week at \$4 to \$6 per barrel.—Free Press.

## Milton

The John Milton Chapter, I.O.O.F., wish to acknowledge with thanks the donation of \$116 from Mr. Walter Beaudry for the northern fire relief.

Arthur G. Holmstead, who for the past seven years was assistant to the late J. C. Morgan, Superintendent of the Independent Order of Foresters' Orphanage, Oakville, has been appointed to succeed Mr. Morgan in that office.

Mr. and Mrs. C. D. McGregor and children got home last Saturday from their trip to the Pacific Coast. They spent some time in Vancouver and some on Vancouver Island, where Mr. McGregor had fine sport on the rivers, catching cutthroat, rainbow and Dolly Varden trout. In salt water near Vancouver, he had more, trolling for salmon.—Champion.

## Heifer Case Dismissed

His Honor Judge Elliot has given his decision in the Division Court case, Gates vs. Turner, tried some time ago, in which the plaintiff sued the defendant for the price of a heifer that had strayed away from his premises and which the plaintiff claimed had found its way to the defendant, a town butcher, and had been slaughtered. His Honor dismissed the case, each party to pay their own costs.

## SMILE

If the weather looks like rain, Smile.

When you feel you must complain, Smile.

Do not mind if things seem gray; Smile.

Soon there'll come a brighter day; Smile.

You will find that it will pay To smile.

If the world looks sad and drear, Smile.

Banish every thought of fear, Smile.

Do the very best you can; Smile.

Play your part now like a man; Smile.

Make each day a better plan; Smile.

If you taste life's bitter cup, Smile.

Should the doctor give you up, Smile.

You are very far from dead; Smile.

Put your trust in God instead; Smile.

## Notes and Comments

IF THE WHOLESALE, and those higher up, the manufacturer, begin wondering why their goods are not moving they need not think it is all due to the weather. The plain truth is the price has come down to the level of the purchasing power of farm produce. The prices are all proportionally too high, out of all proportion to the price of farm products, and the value of farm products in the basis of selling values in almost every commodity.

THE PUBLIC GENERALLY will heartily endorse the Dominion Veterans' Association in entering the energetic protest to the Dominion Government regarding the observance of Armistice Day of any other date than November 11. Veterans naturally will observe no other date, and neither will the public—especially seeing that there is no good reason why Armistice Day should not be a day of general Thanksgiving, and so combine the two.

THERE IS A CONFLICT waging between the large creameries in the cities and those in the smaller places for supremacy. Creamery patrons should not be too eager to jump at the higher price offered by the creameries being operated by corporations in the cities. If the price of the creamery in the smaller place is anywhere near the city price the small creamery should be given the preference, because by preserving the small creamery the farmer will help himself. It would be calamitous were the small town creameries to be driven out of business. A few large corporations would set the price to suit themselves and having no competition could pay what they chose.

THE GALT REPORTER, in placing before the people of that city the value of the Ellis Band to the community says, "Good bands are an asset." A good band, such as Georgetown Citizens' Band, is really a necessity in a community if for no other purpose than to put real pep into celebrations and public activities which occur from time to time. In addition to this there is the pleasure provided by the concerts in the park, and at social functions held during the summer months. Georgetown people have a keen appreciation of our town band and the services so cheerfully rendered, and regard with keen interest the efforts the members of that organization are making to still further improve in efficiency.

## Terra Cotta

Mesales are prevalent in our hamlet at present.

Mr. McLaren is busy with his clover thresher. Messrs Kelly, J. Haines and J. Townsend all report a splendid crop.

The Misses Whitney and their brothers, J. and G. Whitney of Toronto, spent Sunday with their parents here.

Mr. and Mrs. J. McLean of Erin spent Sunday with Mr. Ed. Townsend and family.

The brick yards are running to their fullest capacity at present.

Mr. W. J. Lyons of Terra Cotta, who has been in the West for the past three or four months, returned home last week.

Mount Forest clergymen are making a public appeal through the press to the business men of the province to petition the Legislature to pass a law fixing the summer half-holiday for Saturday instead of Wednesday or Thursday as at present.

## Halton County Jail

Prisoners in the Halton County jail, Milton, were fed for the past year for 15 3/4 cents a day, according to the annual report just made public. Last year the cost was about 18 cents. During the year there were 108 prisoners committed, 106 males and 2 females; 30 were temperate and 19 intemperate, 5 could neither read nor write. Of the 109 prisoners, 95 were committed for the first time, 6 for the second time, 1 for the third, and 7 for more than three times. There were no deaths and no escapes. Number waiting trial at end of jail year, seven.
