100 per cent. Pure
Wholewheat Bread

Most of the so called wholewheat flour sold is not genuine wholewheat flour.

Practically all of such flour has important ingredients removed in the milling process so that it will keep over an extended period of time.

For This Reason
 when you bake your own bread—you are not assured that you have the genuine wholewheat bread.

Buy Browns' 100 per Cent.
Pure Wholewheat Community Bread

and you can rest assured you have the genuine.

In The Public Eye
 By O. T. WALKER

Most Eye Troubles is the direct result of eye neglect. When the first signs appear a Registered Optician should be consulted. We will thoroughly examine your eyes and prescribe the glasses according to the strength of the eye and the amount of work on the lenses; also the type of the mounting you choose. A Registered Optician is a specialist who has proven his competency by government examination to care for your eyes.
