**OWN AND OFFER**

**\$15,000.00**

**7 Per. Cent. Cumulative Preferred Shares**

**H. CORKE & CO., LIMITED**  
 AUTHORIZED CAPITAL \$100,000.00

These shares are issued in a denomination of \$25.00 each and are, as stated, Cumulative Preferred, which means that the ordinary shares of the company, which are privately held, receive nothing at any time until the 7% is paid on the Preferred Shares, and all arrears of interest, if any.

They also have priority as to capital as there is no bond issue.

**Security**—The Freehold land, buildings, machinery and equipment of H. Corke & Co., Ltd., which are all paid for and belong, absolutely, to the company. Herewith is the signed statement of one of the leading appraisal companies of Ontario.

**WE, STERLING APPRAISAL COMPANY, hereby certify that, to the best of our knowledge and belief, the present value of the said Plant, comprising land, building, machinery and equipment, and after deducting all depreciation from buildings, machinery and equipment, is ninety-nine thousand, nine hundred and sixty-six dollars and sixty-two cents. (\$99,066.62.)**

Dated at Toronto, Ontario, Oct. 17, 1921.

STERLING APPRAISAL COMPANY,  
 A. N. ASBETHINE,  
 SECRETARY TREASURER.

As will readily be observed, the company has a valuable property and the security is ample. But, while a sound policy has been followed in creating a valuable, modern and efficient plant, the directors find that the working capital is too small and therefore this opportunity is now given to the general public to enter this hitherto private company.

To Wool Growers, invitation is particularly given, and to investors of this class, a contract will be made to manufacture their wool free for a period of years in sufficient amount to bring the returns on the shares to 10% per annum.

**To The General Public**—Privileges of special discount on purchase will be given to shareholders, so that holders of even one share will not be barred from participating.

**Management**—The President and Manager, Mr. H. Corke, is well known as a woolen mill manager and manufacturer of long and varied experience. As fellow director on the Board he has the able assistance and advice of Mr. E. Y. Barraclough of the Glen Woolen Mills, Glenwilliam, Ont.

**Payment**—Terms may be arranged and any further information obtained on application to the undersigned.

HENRY CORKE,  
 PRESIDENT AND MANAGER.

**Boy Scouts**

At the last meeting of the Local Troop Council it was decided to make the 1st Georgetown Troop a town troop instead of being part of the Sunday School as it was before. This should remove that misunderstanding that the troop was formed for the purpose of making the boys attend on particular Sunday School. We wish to extend our thanks to the Sunday School that has fostered us and to the Rector who was responsible for the formation of the troop.

The new Local Scout Council will meet at the Public School at 7.30 p.m. on Thursday, Nov. 23rd, and the meeting at 7.30 p.m. on Friday in the drill shed. Subjects—First aid, knot-tying, signalling, games, etc. Probably an inspection so wear your scout shirts and hats. All ministers and patrol leaders are asked to attend.
