THINK RIGHT
Think smiles, and smiles shall be:
Think doubt, and hope will flow:
Think love, and love will grow:
Think hate, and hate you'll know:
Think good, and good is here:
Think vice—it's just a speck:
Think joy and joy you'll find:
Think gloom and dark descends:
Think faith and faith's at hand:
Think peace—sublime and sweet,
And you that peace will need:
Think fear, with brooding mind,
And failure's close behind:
Think this: "I'm going to Win"
Think not on what has been:
Think "Victory" think I can!
Then you're a winning man.

Milton School Burned
About twelve o'clock Friday night a fire of mysterious origin completely destroyed the fine brick public school at Milton Heights, two miles west of Milton. The Milton firemen were called out and rushed to the scene of the fire in their new motor truck, but the fire had gained such headway that nothing could be done to check the flames, and the building which five years ago cost nearly \$5,000 was destroyed. The \$3,500 insurance on the school will help greatly to reduce the loss. Rev. Canon Natfel has suggested that All Saints Anglican Church nearby be used by the school-less pupils temporarily. This offer will be considered by the trustees at their meeting on Monday night.

How Flour, Feed and Grain sales are increased by Long Distance

Some quotations from recent reports:

"I use Long Distance entirely in my business (Hay and Grain). Sales are made quicker and with less expense than by traveling. Since yesterday I sold 2 cars of grain."

"I sold 10,000 jute sacks on which my commission was \$100.00 at an expense of \$2.80 for L.D. calls."

"I sold 3 customers in between \$10,000 and \$11,000 at a cost of 46 cents for Long Distance—a little over the price of two cigars."

"We regularly make Long Distance sales to customers from various jobs before placing orders for same."

"We accept reverse Long Distance calls on orders from customers."

We can tell you how to use Long Distance to almost any business

Secondary Schools For Rural Centres

Under the auspices of the Halton County Educational Association, a series of meetings were held throughout the county last week. The two subjects discussed were "Rural Secondary Schools" and "Curricula of Public and High Schools." Opinion has been freely expressed that under the provisions of recent legislation, the country districts should be able to enjoy equal privileges for secondary education with the towns and that these privileges should be placed within reach of every boy and girl in the rural parts. It is likely that next year will see definite steps taken in Halton for the establishment of continuation schools.

The opinion was also expressed that the rural continuation schools should have a special character in keeping with the demands of rural life and aims. With reference to the curriculum of the Public School, it was felt that the course is too extensive for thorough work in the one roomed school, but the difficulty is to determine any one subject which could profitably be omitted.

Directors were elected at each township meeting, who will form the county executive. The president of the association is W. H. Cadmore, Bronte, and M. A. Campbell, of Zimmerman, is secretary.

Hillburg U.F.O. Store Assigned
The Hillburg Co-operative, Ltd., last week assigned to Mr. G. Powell Hamilton, of Guelph. The headquarters of the concern were in the village of Hillburg, where a store and elevator was situated and a general merchandise, potato and grain business transacted. For some time past affairs have not been going well with the concern, and it has been losing money steadily. While no definite figures are available it is understood that the liabilities will far exceed the assets. A meeting of the creditors will be called in due course. It was operated by the U.F.O. of that section.

TO MISS FLAPPER
Blessings on thee little dame,
Thou back girl, with knees the same,
With thy rolled down silken hose
And thy short transparent slouches
With thy red lips reddened more,
Smear'd with lipstick from the store,
With thy make up on thy face,
As I thy bobbed hair's jaunty grace
From my heart I give thee joy
(Glad that I was born a boy).

MISS FLAPPER'S REPLY
Blessings on thee little gent,
With thy last half dollar spent
Buying cigarettes and gum,
My, you must have lots of fun,
With thy hip made blacker still,
With that muscular-like a frill,
And thy red nose reddened more
Down behind the collar door.
Always must be in a whirl—
(Glad that I was born a girl).
