THE OLD HOUSE

THE LATE J. H. COLE
At one time a valued member of the "Herald" staff.

Obituary

MR. J. H. COLE

With a great deal of sadness we are called upon this week to report the death of one of Burke Falls most popular citizens in the person of Mr. J. H. Cole who passed away at his home here after an illness of some weeks' duration.

It seems impossible to realize that one who has for a number of years taken such active interest in the general welfare of the community will walk its streets no more.

A keen business man he was ever ready to advise and help both individuals and organizations in matters of finance and management and as a Christian gentleman he was revered and respected by a large circle of friends extending from coast to coast.

By his brethren of the Baptist church to whom he had been a helper in innumerable ways; by the brethren of the Masonic Order and by a great many citizens of the village the passing of Mr. Cole will be genuinely mourned and the expressions of sympathy extended to the sorrowing family will be particularly heartfelt.

The late John Henry Cole was born at Georgetown, Ont., in 1851 and was the eldest son of the late Mr. and Mrs. J. W. Cole. He received his education at the public and high schools there and then entered the printing business.

Some twenty-one years ago he came to Burke Falls and joined the Knight Bros. Co's staff. Later he spent a year in Tennessee with the W. S. Milne Co., and upon returning to Burke Falls joined the Magnetawan Tanning Co. as book-keeper and was by that company transferred to its head office at Toronto as secretary. About six years ago he returned to Burke Falls as manager of the Knight Bros. Co. Ltd., which position he held until his death.

Besides his widow a family of four, all residing at home, mourn the loss of a devoted husband and father. They are Jacqueline, Nixon, Betty and John.

The funeral took place on Tuesday afternoon and was very impressive. The employees and staff of the Knight Bros. Co. attended in a body and led the procession to the home of Mr. Erwin and Mr. Walter Sharpe at the head. They were followed by the members of Corona Lodge A.E. & A.M. augmented by members of Strong and of Algonquin Lodges. The service at the house was conducted by Rev. H. O. Eastman, pastor of the deceased, who made some kindly references to the departed as being a willing worker and one who was ever ready to help.

He was assisted in the service by Rev. J. F. L. Macdonald, Rev. Wm. Booth, D.D., and Rev. S. F. Yeomans. At the grave side the solemn funeral rites of the Masonic Order were conducted as all the members of our late townsmen were committed to the earth.

The floral tributes, representing a great many different bodies as well as private individuals, were a beautiful and beautiful testimony to the esteem in which Mr. Cole was held and also a graceful expression of sympathy to the bereaved.

Acton

The Acton True Blues motored to Guelph last week and spent a pleasant evening with the Guelph True Blues.

Mrs. W. H. Gurney and Marjory and Wallace, of Wingham, spent the week end at the home of Mr. George Murray.

The re-surfacing of Mill and Main Streets will be an imperative duty for the consideration of next year's Council.

Misses Jean and Anna Lindsay of home from Toronto on Saturday to attend the Methodist anniversary services.

Mr. J. E. McGavin has returned from Mexico and is now staying with friends in Toronto. He has been in rather poor health since he went back to his home in Mexico last spring, but hopes now to recuperate.

Mr. and Mrs. John Erwin of Berlin, who were in Georgetown last week attending the funeral of Mr. Erwin's father, spent Tuesday with Mr. and Mrs. N. F. Moore.

Two graduates from The Acton Free Press, Mitchell Gobban and Robert E. Holmes, have been valued members of the staff of the Winnipeg Free Press for many years. The former since 1912 and the latter from 1904.—Free Press.

Erin

Courtney Cono, the oldest resident of the township of Mono, has died at the age of 101 years. He was an Orangeman for 84 years.

Mr. and Mrs. J. Rossell of Acton spent Sunday with Mr. and Mrs. E. McDougall.

The 48th anniversary of the Erin Baptist Church was celebrated on Sunday, when special services were held. Mr. W. C. Senior of Toronto, assisted the pastor, Rev. Humphries, and delighted the large congregations with his splendid discourses. The choir from the Baptist churches of Hillsburg and Bellefontaine assisted with the praise.—Advocate.

—The trouble with a lot of auto drivers is that they don't look a map straight in the face. If they did they wouldn't be so apt to hit him somewhere else.

Notes and Comments

A NEW FORM of declaration, passed at last session, is now to be signed by a candidate for municipal office. This allows anyone who is owner or tenant of a dwelling, or owner of land, and entered on the voters' list, a British subject over 21 years of age, with taxes paid up and living within two miles of the municipality, to hold office.

MOTORISTS HERE CONTINUE to ignore motor vehicle laws by speeding, running on the streets at night without lights or with only one headlight, parking on the wrong sides of streets. Attention has been called to this repeatedly without effect. Unless this reckless law-breaking is stopped by prosecutions, serious accidents may happen and lives lost. Bicyclists do not carry lights as required by law and as they should for their own protection.

A WORD TO YOU BONNY—you little thirteen or fourteen-year-old boy who is smoking cigarettes on the sly, and we happen to know there are some such in Georgetown. What do you want to be when you grow up—a stalwart, healthy, vigorous, and broad-shouldered man or a little puny, measly "coconut" weak-minded dude? If you want to be a man, strong like a man with hair on your face, brains in your head and muscles in your limbs, you just let those cigarettes alone. If you want to be a thing, piled by your folks, despised by the girls and held in contempt by fellows, keep right on smoking and end your days in the insane asylum.

ON MORE THAN ONE occasion motorists have driven over dogs and without stopping have left them lying in the road, maimed and injured. The man who will do this to a dog is capable of doing it to a child. The quality of mercy is not strained. The motor car does not supply mercy, nor caution, nor care. With a gorilla at the wheel, a motor car is a juggernaut. The man who will leave an injured dog in the street, making no effort to relieve its sufferings or to put it out of its misery is a criminal. The man who has no mercy for a dog will drive off and leave a crippled child, if it is dark enough or if nobody is looking.

DERIZENS OF THE Northern woods, long famed for their prophetic will regard to coming weather, are unanimous this fall that all signs point to an unusually mild winter. Bushmen and farmers arriving in North Bay from the vicinity of Commanndu told that the Indian weather prophets of that section are taking their cue from the appearance of the HEAVENS and say that there will be less cold weather this winter than has been experienced in years. Residents who have observed the Indian predictions in the strongly believe in their accuracy. Probably more authentic word comes from visiting trappers, who state definitely that the beavers are dilly-dallying unprecedentedly with the construction of their winter homes. Observers also say that the chipmunks and squirrels are collecting extremely small stores of food for the coming months.

CONSIDERABLE QUANTITIES of coal are reported coming into Ontario, but they would prove far inadequate to meet the demand were it not for the fortunate weather conditions which have prevailed so far this fall. As a consequence there has not been near the usual demand for coal that there otherwise would have been. Our local dealers are playing the game fairly and with a desire to do the best they can to meet the circumstances under the conditions which have confronted them. The line companies have not been able to supply the needed quantities of coal. This has led the local dealers to purchase a quantity of coal from the independent dealers at exceedingly high prices. This has been done in an honest effort to insure their customers against an emergency. The prices are high, but if cold weather comes there will be an insistent demand for coal. What is the dealer to do? If he buys the high-priced coal, he may be blamed for profiteering. If he does not buy it, he may be blamed for not doing all he can to protect his customers. That is the problem, and it is to the credit of our local dealers that they are selling coal at the lowest possible price under the circumstances.

Milton

His Honor Judge Elliot is laid up with an attack of lumbago, but expects to be around again in a few days.

What will probably be the last regular meeting of the town Council for 1923, will be held on Thursday, December 14th, at the annual Wardens' Dinner held in the evening at the Hob Hotel.

Dwelling houses are still at premium in town. Houses which rented at \$10 a month, a few months ago, now bring \$12 to \$20 a month.

Word was received here yesterday of the marriage of Miss Emma McGibbon, daughter of the late Judge and Mrs. McGibbon, of Milton and Brampton, to Rev. Emot Maison, rector of All Saints Church, Los Angeles, which took place in the church on Tuesday, November 21, the ceremony being performed by Bishop Johnson of the diocese of Los Angeles, assisted by Coadjutor Bishop Stevens.—Brampton Observer.
