GEORGETOWN

Hospital for Sick Children
COLLEGE ST., TORONTO.

Dear Mr. Editor,—
Realizing that the trend of public opinion is swinging more and more towards the equalization of the burdens which each citizen of Canada must bear, that the helping of those who are unable to help themselves occupies a much larger place in our minds, may I draw your attention to the fact that this Hospital is accomplishing great things in a field that is untouched by any other organization.

Little children from all parts of the Province, irrespective of class or creed, children who are weak, not malnourished, come here and are made strong and healthy. It is not this in itself a wonderful work?
The service and the duty of the Hospital is far-reaching. As well as personal attention, surgical and medical, for all the tiny patients, doctors and nurses are also trained to extend the help of the Hospital to the uttermost parts of the Province. The entire function of the Hospital must be explained to you and your readers: it is a CHILD WELFARE work well deserving of the support of your organization.
Of late a new and unfortunate factor has added to the responsibility which the Hospital must assume. You have noticed, no doubt, the alarming increase in the number of motor accidents throughout the Province in the majority of which little children are the chief sufferers. Many of these are little waifs of the poorer sections where the streets are the only playgrounds.

Here are the average day's figures for 1923 attendances:
Out-patients..... 355
In-patients..... 189
The carrying out of this great work is your responsibility as well as that of the people of all Ontario. Every contributor to the Hospital is a friend, indeed, to these little mites of humanity, and has the satisfaction of knowing that the result of his individual contribution is bringing joy into at least one home by assisting to care for somebody's child.
The service of the Hospital depends on the continued support of the public and the contribution of dollars into health and strength will, I am sure, meet with your approval. Each minute the Hospital costs over fifty cents, so you will see that much money is needed to carry on this GREAT WORK.

Every day sees a large number of additional patients on the Hospital's register. Owing to the advanced cost of surgical and medical appliances maintenance is mounting until now it is twice the usual amount of money is essential for the fulfillment of our duty. With the approach of Christmas may I place these facts before your readers in connection with the 47th Christmas appeal of the Hospital for Sick Children.
Faithfully yours,
L. E. ROBERTSON
Chairman of the Appeal Committee

SWINGING ROUND THE BIG CIRCLE

THE Canadian Pacific Railway, a nation-wide institution, touches the life of Canada at all points. One of the primary requisites of its employees is to know Canada in all its aspects—not merely the conditions of the district in which they happen to live, but the conditions of the entire country. This, particularly the case with passenger department men, who, to be real friends of the travelling public, should have wide knowledge gained from actual residence and experience in different parts of the Dominion.

In order to give its officials this nation-wide outlook and experience, the Canadian Pacific swings them around the big circle once in a while. Men in the east go west, and westerners come east. One such swing, together with some important promotions, are just announced by Mr. C. B. Foster, Passenger Traffic Manager of the company. From Vancouver (where he has been General Passenger Agent), Mr. H. W. Brodie (3) goes east to Montreal to become Assistant Passenger Traffic Manager.
Mr. W. H. Snell (6) General Passenger Agent at Montreal, goes to take a similar position at Vancouver, and Mr. G. A. Walton (2), General Passenger Agent at Winnipeg, takes over Mr. Snell's duties at Montreal.
Mr. N. R. DesBrisay (8), District Passenger Agent at St. John, goes to be Assistant General Passenger Agent at Winnipeg, and Mr. W. B. Hornard (1), who has been District Passenger Agent at Toronto, goes to be Assistant General Passenger Agent at Montreal, and Mr. G. B. Burpee (5), General Agent at Cleveland, Ohio, goes to be District Passenger Agent at St. John.
Amongst the promotions announced at the same time are: Mr. Walter Maughan (9), Assistant General Passenger Agent, Montreal, to be Assistant to General Passenger Traffic Manager; Mr. R. G. McNeillie (7), (Assistant General Passenger Agent, Winnipeg), to be General Passenger Agent there; Mr. W. Fallon (10), to be District Passenger Agent, Toronto, and Mr. W. Harder (4), to be Assistant District Passenger Agent, Toronto.
