Less Pot-washing

SMP Enamelled Ware has the smooth surface and polish of fine crockery—without the breakage. And it is so very easy to clean—just like china, and therefore makes light work of pot washing.

Whenever you are buying kitchen utensils be sure they carry the SMP trade-mark.

Diamond Ware is a three-coated enameled steel, sky blue and white outside with a snowy white lining.

Pearl Ware is a two-coated enameled steel, pearl grey outside and inside. You can't go wrong if you buy either.

Ask for Pearl Ware or Diamond Ware
