**Security**  
 The Freehold land, buildings, machinery and equipment of H. Corke & Co., Ltd., which are all paid for and belong absolutely to the company. Herewith is the signed statement of one of the leading appraisal companies of Ontario.

**WE, STERLING APPRAISAL COMPANY,** hereby certify that, to the best of our knowledge and belief, the present value of the said Plant, comprising land, building, machinery and equipment, and after deducting all depreciation from building, machinery and equipment, is ninety-nine thousand, nine hundred and sixty-six dollars and sixty-two cents. (\$99,966.62)

Dated at Toronto, Ontario, Oct. 17, 1921.

**STERLING APPRAISAL COMPANY,**  
 A. N. ARELITINE,  
 SECRETARY TREASURER.

As will readily be observed, the company has a valuable property and the security is ample. But, while a sound policy has been followed in creating a valuable, modern and efficient plant, the directors find that the working capital is too small and therefore this opportunity is now given to the general public to enter this hitherto private company.

To Wool Growers, invitation is particularly given, and to investors of this class a contract will be made to manufacture their wool free for a period of years in sufficient amount to bring the returns on the shares to 10% per annum.

**To The General Public**  
 Privilege of special discount on purchase will be given to shareholders, so that holders of even one share will not be barred from participating.

**Management**  
 The President and Manager, Mr. H. Corke, is well known as a woolen mill manager and manufacturer of long and varied experience. As fellow director on the Board he has the able assistance and advice of Mr. K. Y. Barracough of the Glen Woolen Mills, Glen Williams, Ont.
