**Nyal Creophos and Laxacolds**

This is an efficient combination to break up a hard winter cold such as is coming around just now. The tablets break the cold and the Creophos relieves the bronchial tubes and also rebuilds the system which renders you less liable to contract other colds.

Everyone is singing "I'll be in My Dixie Home Again Tomorrow." Hear it played by the Great White Way Orchestra on Victor Record No. 18984.

Hear "Tavin Sam" if you like music with lots of pep.
