Nyal Creophos and Laxacolds

This is an efficient combination to break up a hard winter and summer as is come around just now. The Laxacold breaks the cold and the Creophos relieves the bronchial tubes and also rebuilds the system which renders you less liable to contract other colds.

Everyone is singing "I'll be in My Dixie Home Again Tomorrow." Hear it played by the Great White Way Orchestra on Victor, Record No. 14984.
Hear "Lovin' Sam" if you like music with lots of pep.

Three Years "Over There" Two With "The Mounties"

Little article "Mounties" horse he was as fine a specimen of manhood as one could meet. Six feet tall, broad, muscular, and well built, an athlete of no mean ability. Three years in the war had seemingly made a man out of him, but it took a bad cold to show that the war had far-reaching and terrible effects. One day he played and worked hard, then went for a dip in the lake. A little cold came on, then got worse and worse and finally - consumption. His wife and "Over there" and two spent in the "mounties" have given him a helping hand.

During these last eight months the few who read this great work will be glad to hear that God's fresh gift and man's skill at the Muskoka Hospital for Consumptives can retain something of his old manhood for active service yet.

Only with the help of many warm friends can this great work be carried on. Money is urgently needed. Contributions may be sent to: W. A. Charlton, 215 College Street, Toronto.
