Hockey

Georgetown Intermediate team were accompanied to Guelph by about 300 supporters on a special train last Thursday evening when they played their first game with the Royal City team. Some 1500 spectators witnessed the game.

The first period ended with two goals in favor of Guelph, one being scored when Blackburn was serving a penalty for a minor offence. In the second period Guelph scored a third goal, which was quickly followed by Cole placing one in the net for Georgetown. Two more were scored by Guelph and the period ended 5-1 in favor of the Royal City boys. The third period was all Georgetown's and our boys played completely around their opponents. In a nice piece of combination work Cole passed to Blackburn who scored. Blackburn accounted for the next goal and Cole followed up with another shortly before time was called. Score at end of third period 5-4 in favor of Guelph. The line-up: Georgetown—Goal, Duncan; defence, Evans, Clavess; centre, Cole; left wing, Graham; right wing, Blackburn; subs, Small, Garvin.

Guelph—Goal, Hayes; defence, King, Jones; centre, Mitchell; right wing, Clavess; left wing, Craves; subs, Grant, Henry.

Referee—Lionel Conacher.

Referring to the game the Guelph Herald says—"Guelph hockey fans certainly got their money's worth in thrills last night when the local intermediates defeated the Georgetown team of the first group in a fast game at the local arena by the close score of 5 to 4. It was a great game to watch, with the home team having a little the best of the play, but the visitors think they have a determination in the final periods of the game when they almost evened up the score by netting three goals. It was the class of hockey that people like to see, being fairly close with few penalties, and some nice stick-handling and skating was displayed. The third period was all the visitors' and four minutes after play commenced Cole netted the goal and Blackburn followed with another three minutes later. The excitement was running high by this time and the Georgetown supporters were rooting with might and main for their team to even up the score.

This was Georgetown's first appearance here and they made a very good impression on the local fans.

Great credit must be given to the visitors for their great uphill fight. They have a good team and in Cole and Duncan two men who are hard to beat. Duncan, the visitors' top scorer, was responsible for the score by netting close, as he made some marvelous saves, several times coming out of the nets to meet a Guelph player after he had gotten through the Georgetown defence."

Over 1800 hundred people witnessed the game between Guelph and Georgetown at the arena here on Monday evening when the visitors defeated Georgetown in a hard fought game by 5-0. Guelph has a fast team and Georgetown has nothing to be ashamed of by losing to them. More combination play is what our boys need."

The game between Bolton and Georgetown Juniors in the arena here Tuesday night was a good exhibition of hockey and resulted in a win for Georgetown by 6 goals to 3. In the first two periods honors were pretty evenly divided but in the last Georgetown played all around the visitors. Gibbons scored 3 goals while Kaley, Ryan and Tracy netted one each. Georgetown's team was as follows: Goal, G. Higgins; defence, C. Kennedy, J. Ryan; centre, L. Tracy; left wing, Kaley; right wing, Gibbons; sub, P. Fleck.

On Friday night Milton Juniors will play here, and on Tuesday next Brampton Juniors will play here. These games will cheer for our winning Juniors.

The Georgetown High School Hockey Team went to Acton on Thursday evening last where a friendly game was played with the Acton Contingent. Both teams were the highest of both regular wing players being absent they were only defeated by a margin of 1 goal, the final score being 2 to 1. The game went only two periods since the referee had to make way for another team. The boys feel that another period would have made a big difference. Great credit is due to Heppburn of the local team who scored their only goal. Rose on the left wing and Walters in goal were also good.

Baptist Anniversary
Inspiring Sermons Make Memorable Day in Church History

Anniversary services were held in the Baptist Church on Sunday last. Rev. Dr. McCrimmon, ex-Chancellor of McMaster University was the speaker at both services and his inspiring sermons and thoughtful Christian counsel were much appreciated by his congregations both morning and evening.

At the morning service, after reading the last chapter of Matthew, he spoke on "The Mission of the Church to-day." He said in part:—"We have a legacy of principles gained from self sacrifice. It is a great thing to have a right conception of God as it colors a person's whole life. It had been said before the great war that the church was becoming a back number; and afterward, if the Christians had been doing their duty there would have been no war. One thing the war has not changed is the heart of man, the appetite of the human soul and the hope of eternity. The gospel of Jesus Christ is just as open and as much needed. It is no time to sit down with folded arms for if ever man needed stirring up it is to-day. Man needs a new heart that will function and not lie dormant. He has a heritage but must labor to possess it. God created man in his own image but man wandered away from himself and the great work, not only of the minister but of every Christian, is to bring man back to God's house. Young men and young women your greatest work is to bring man back to God's house. This old world might have rolled with sin and corruption had God sent Christ, and Christ left us to carry on His work in the world. No wonder there was joy when Christ came into the world. The biggest phenomena in all life is the state of a forgiven soul, and God's work in life is bringing souls of men home to Him. What are you contributing toward God's work? All financial systems are only serving to keep men alive until they find God. Industrial unrest would vanish if the right attitude of soul existed between labor and capital. The nation that gets closest to God and acknowledges Him stands the best of time. Are we perfect that we need no reforming? There is need of Christ and Christian men and women functioning in George town and every other town. What about our own lives? Do they function for Christ? Is there no sin in your life? One life to live; are you going on without doing anything for Christ? The obligation of the church is to service God's power is unlimited and no matter how dark God watches over His own. If you want vigorous character and constitution get God into your life. For Christ right in your own town. His gospel works in the hut or the palace. Christ stands shoulder to shoulder with his people and they must have heart, mind and will of Jesus who lived on earth, suffered in Gethsemane and poured his life blood over Calvary's hill for us. To-day Jesus Christ lives and loves and reigns. Take courage but do not rest on your laurels but go forward with the abounding flame of hope and power to work for the rebuilding of God's kingdom."

At the evening service Dr. McCrimmon opened in his text John 8:7, "Ye must be born again," his subject being "The New Birth."

The special music by the choir was much appreciated and enjoyed. There were also the solos by Mr. E. W. Cole and Mrs. T. Beaudin. Rev. B. F. Cameron and W. L. Davidson assisted at the evening service.

This is the 75th anniversary of the organization of the Baptist Church in Georgetown. The precise date was October 16th, 1847, when, at the minutes of the first meeting state, "In accordance with previous appointment we held our first meeting as a branch of the Regular Baptist Church. Expanding." At this meeting Mr. Michael Dayfoot was chosen Deacon and Treasurer and Mr. J. S. Fish, Church Clerk. The first pastor was Rev. John Clark, whose ministry continued from 1847 to 1858. He is described as a vigorous and eloquent preacher, small of stature, but possessed of great physical endurance. He thought nothing of a walk to Hornby and back or even to Guelph and preach twice on a Sunday.

There is an important entry in the first minute book which records a resolution that "we send either a letter or delegates to the meeting to be held in St. George for the purpose of forming a general Convention or Union of Regular Baptist Churches of Canada."

The constituent members of the church were: Rev. John Clark, Marie Clark, Dinah Rockwood, Michael Dayfoot, Patience Dayfoot, P. W. Dayfoot, Caroline Dayfoot, Robert Burns, Penelope Burns, Hebe McGaw, Hiram Bedford, McGaw, J. Moxley, and Moxley. The next members received were Mr. and Mrs. Robert F. Bessey on November 24th, 1849. Mr. Bessey is the only one of the very early members who is still living. Mr. and Mrs. Smith Bessey joined on January 26th, 1852.

An effort of outstanding importance in connection with the present was the completion of the church building and the opening services on January 30th, 1870. It was dedicated a great occasion. The preachers of the day were Rev. Dr. Frye, Principal of Woodstock College, and Rev. William Stewart, D.D., of Toronto. The motion
