**Women's Missionary Society Meeting**

The 8th annual meeting of section No. 2 of Toronto Presbyterial W.M.S. was held in St. Andrew's Presbyterian Church, Brampton, on Wednesday, June 13th. The tasteful floral decorations were quite in keeping with the pretty name by which Peel's beautiful county town is known, "The Flower Town."

Mrs. R. F. Cameron of Georgetown presided at the meeting, in the absence of Mrs. Marshall of Milton, who was unable to be present. After the devotional exercises of praise, Bible reading and prayer, Mrs. McIntyre of Brampton in a few kindly words welcomed the visitors in attendance from the nine sister auxiliaries, and Mrs. Webster of Stoville accepted the welcome on behalf of the visitors and thanked the ladies of Brampton for the same.

Mrs. Anderson of Toronto gave an address on the subject of necessary supplies of clothing, quilts, dresses, coats for children, and all other articles needed in the schools and hospitals of Northern Ontario and the Western Provinces. Special donations of money are most acceptable in this department of the work to purchase articles which are not generally found in the sales of goods, but which are much needed for the comfort of the patients in the hospitals and the children in the schools.

Mrs. Williams, Literature secretary and Miss Kerr, Library secretary, also spoke briefly on the work of their respective departments. Mrs. B. M. Johnston of Toronto, President of Toronto Presbyterial Society, gave an address in which she touched on all the departments of work conducted by the Society, and also gave a summary of the Ontario Provincial Convention recently held at Windsor. This address was very comprehensive and was greatly appreciated by the ladies present.

The report of Miss Alice Williams, the sections delegate to the summer school at Lake Couchiching for 1923, was read by Mrs. Henderson, in the absence of Miss Williamson. The special treat of the day was an address by Mrs. Reeds, one of our missionaries from Honan, China, at present living in Canada for a short time. The roll call was responded to by each auxiliary in the section as follows:—Boston, Brampton, Georgetown, Hornby, Limehouse, Milton, Norval, Onaga, Streetsville and Union. Two young Women's auxiliaries of Brampton and Milton, each auxiliary giving a report which showed a healthy working condition. The subject of Auxiliary Problems was taken up and short talks were given on membership, by Mrs. Ivens, Limehouse, on activities by Mrs. Norman Cameron, Norval, on Stewardship by Mrs. R. F. Canibron, Georgetown.

A discussion followed in which many of the ladies took part. Mrs. Vanstone of Toronto conducted a short Mission Band Conference. Six bands answered to the roll call, namely, Brampton, Georgetown, Norval, Streetsville, Union and Onaga. These bands will hold a rally in the autumn under the co-sponsorship of Miss Reid, president of the Streetsville band. The little girls of the McLean Mission Band, Brampton, gave a selection of music which was a pleasure to the audience.

The singing of "God Save the King" and the "Lord's Prayer" repeated in unison brought this pleasant service to a close. The next meeting will be held in Georgetown in 1924.

**HARD BALL**  
In a hotly contested baseball match in the Park last Saturday Georgetown defeated Milton 6-5, before a large crowd. Milton opened the scoring by sending two runs in the first innings and followed it up by adding three more in the second. Three of these runs were the result of errors. After this innings Blackburn had the game well in hand with the exception of the eighth innings when Milton made a determined effort to tie the score. Buck, who battled for McMullin, tripped to deep right centre and later tried to score on a high fly to left field by a fast throw by Cole via Blackburn to McGill, who blocked the plate very nicely. Georgetown came to life about the sixth inning when by successive hits, coupled with two errors, opened the exit of Teller from the box. Kenny, a portender, succeeded him and managed to hold the game in check for an inning when Georgetown again took up the slaughter and managed by clean hitting to put across the winning run. Great was the excitement at this stage of the game and all the fans sighed a relief when Blackburn, unassisted, retired the last batter.

**SOFT BALL**  
The surprise of the season came on Friday night, the High School when Creelmans defeated the Ood fellows by a score of 14 to 4. The game started out well with the Ood fellows in the field but the third innings proved disastrous for them, Creelmans scoring 18 runs. After this innings the game was even throughout.

On Friday night, June 22nd, the Church plays the Firemen at the Park and the Papermill meets the Chaplains at the High School.

On Monday evening at the High school the firemen and the Bankers played the postponed game of last week, which resulted in a 4 to 5 victory for the firemen. The play was very close throughout, and on account of getting a late start only 5 innings could be played.

**Glenwilliams**  
Mr. Leonard Marchmont received a painful injury to his foot while at work last week when an 800 pound roll of paper fell on it. We wish him quick recovery.

The Glen citizens extend their deepest sympathy to the Bates family in the recent loss of Mr. Abraham Bates. Among those who attended the funeral from a distance were Charlie, Frank, Fred and Thomas Despond and daughter Esther, all of Galt; Mr. and Mrs. Yopp; Mr. and Mrs. Claud Wilkinson and Mr. and Mrs. Murray of Toronto; and Fred Bates of Edmonton who arrived late.

The Glen lacrosse team lost by a small margin of 3 to 2 here on Saturday to Ettonville. This was a good game. Our boys are getting better every game. Our citizens should turn out in large numbers, especially when the boys are playing at home.

There was a splendid parade of Orangemen and True Blues here last Sunday. The True Blues certainly earned themselves great credit for the way they turned out. Some of the visiting lodges came from Georgetown, Georgetown, Hornby, Milton and Acton. This was claimed to be the largest church (Orange) parade ever held in the Glen. After a splendid inspiring address by Rev. P. Mayes, the Orangemen and True Blues returned to the town hall where Worshipful Master R. Addy proposed a vote of thanks to all visiting brethren and sisters. Bro. Wm. Scott proposed, seconded by Bro. A. Allan that a vote of thanks be tendered to Rev. P. Mayes for his splendid address, also to choir of St. Alban Church.

Open Air Concert at Methodist Church this Friday evening at 8 p.m. good program is being provided. Refreshments on grounds. Admission 25c and 15c.

Rev. Mr. Bralley, who has been conducting the services in the Methodist Church for the past few Sundays, will preach his farewell sermon next Sunday at 7 p.m. Next Sunday St. Alban Church will celebrate the 10th anniversary by holding services at 11 a.m. and 7 p.m. The Congregational of Toronto University will take charge of the services.

The People's Political Party are making preparations for holding a big picnic at Featherstone's grove, near Milton, on Friday of next week, June 23, when it is expected that Premier Drury and other big guns will be present and deliver addresses on the political situation in this Province. That there will be a record crowd present in a foreign country on account of the proximity of the election, and nothing will be wanting to make the gathering a big success providing the weather is favorable.

27 world-wide tests establish proof of Studebaker Light-Six economy

**Studebaker**  
LIGHT-SIX \$1375

The fuel economy of the Studebaker Light-Six has been positively proved by 27 world-wide tests, which established an average of 26.9 miles to the gallon of gasoline. Light-Six consumption of gasoline and oil is low. Tire mileage runs high. And its low repair cost will be attested to by Studebaker's limited volume of repair parts sales, which in 1922, averaged only \$13 per car for all Studebaker automobiles in operation.

When you consider that the cost of the Light-Six is but \$1375, and that your purchase will enable you to enjoy the economy, smoothness of operation, and the flexibility of a perfected six-cylinder engine, isn't it sound business to invest in a Studebaker Light-Six—just as thousands of other buyers have done?
