The youing forest to established by planting a tree every six feet, crawding the trute tegether to force them to grow talk stratght stoms. As the crowding becomes too great for thrift, alternate tress are takes out. These thinnings can be used as fence poles, rulls, gate material, small lember, such se chair and table legs, lamp stands, curtals poles, etc. So there is a rearce of revenue after the tress have been planted twenty yours that will take care of the overhead expenses incidental to maintenance. Fury Little Labor Boyahred in Tree-

With the farm labor situation sever antisfactory, and many farmers trying to cree twice as much land as they can bandle property, forest pleating should show the way out. If the people of Outside are to use wood in the house-building of the future, if we are to have feel for the boarth, a lot of land owners must do some forest plenting very seen.—L. Stev-

Mack Walust Trees As Memorials. Planting of black walnut trees as memorials to subdiers in recommended by the United States Department of Agriculture. It is pointed out that the black walnut played a valiant part in the World War. The wood was used for genetecks and airpings propolities, and the autabolis contri-buted curben for gas masks, while the kernels were used in many delltacion for the burn in the tranctive. Practices Demand for the west for war purperso depleted the number of the old trees, and this method is suggested for mixing their places.

remeditus having a fatty or elly base, such an elatments, should not be med, so the groups or oll tonds to disselve and spread the police, according to specialists of the United States Department of Agriculture: Instead they advise simple remotion such as to acciding to anotherings lead to cooking note or of Epodes salt, one or two heaping temporal to a cup of mater. Finish extract of prindella,

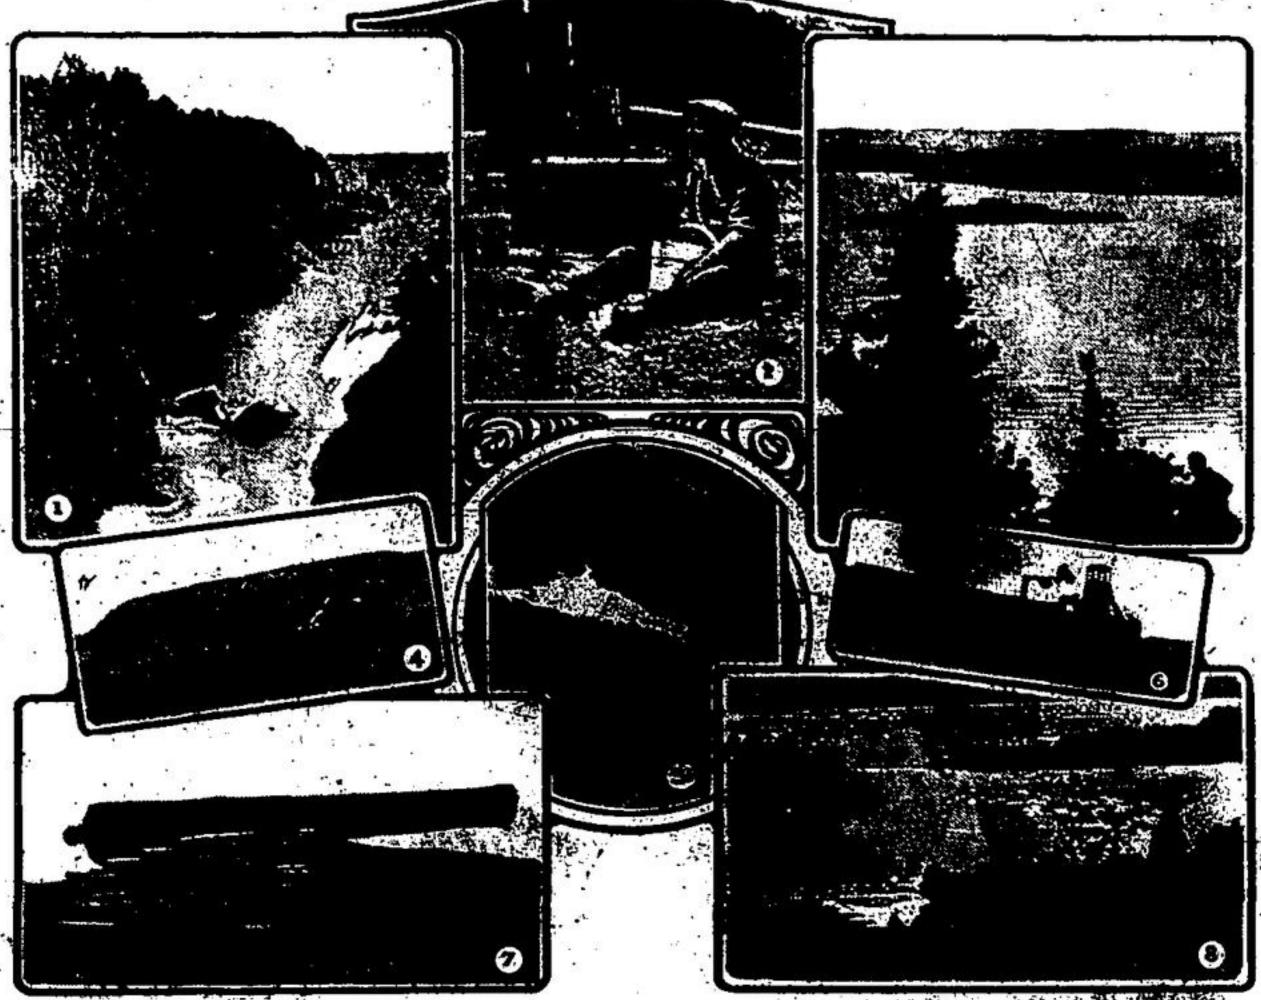

distant with 4 to 8 parts of water, b piled with light bandages or clean cloths, which should be legst moist, and should be changed and distarted frequently to good infection. During the night, or whom moist applications tan not be used, the poleoned sur-faces should be carefully cleaned and dried and bult expressed to the air rath-er them tightly buildaged. Dragged to the Verge of Despair by Twelve Years Unbroken Misery - Mrs. Garnett's Case a Most Remark-Husband.

Carnett of 716 Maittand street,

London, on findink in Dreco quick and permanent relief from twelve long years of suffering that were rapidly wrecking her life. Picture how, in her new-found happiness and faith in the wonderful properties of Dreco, she recommended it to her husband and saw it quickly overcome for him a particularly distressing case of catarrh and rheumatism. Then you may have some appreciation of the great gratitude of this woman to Dreco, the greatest of all herb and root remedies. Says Mrs. Carnett: "For twelve years I suffered from chronic constipation and for the past three years the cruel torture of rheumstism added to my misery. I suffered agonies of pain through my right shoulder and was hardly able to lift my arm, "My limbs ached and I had severe pains through my back. My stumach was in a terrible condition. Gas would bloat me up and press against my heart. I got very little sleep and would get up in the morning, dead tired. Every medicine 1: tried was a failure until, in the depth of my discouragement, I tried Dreco. I have only taken two bottles, but the result is simply marvellous. I can eat anything, have no pains or gastric formations after meals and the pains in my shoulders | A.D. 1923 at the said Township of Esquesstination is fully relieved and I wake up in the mornings refreshed

"Dreco also brought immediate relief to my husband, who had suffered severely from rheumatism and catarrh. It has aided his digestion and helped him in every way. "Dreco is the greatest medicine we ever heard of and we cannot thank it enough for rescuing us from our years of distress." No suffering from kidney, stomach, liver or intestinal disorders is too severe or too deep rooted for Dreco to overcome. It acts quickly

and gently, toning and regulating the whole system. This natural herb and root remedy is bringing new life and hope to the most despend-Drees is being specially introduced in Georgetown by W. R. Watson. and is sold by a good druggist
