## SOME DAY

(By Dr. W. K. Burr)

Some day—I'll be free from labor and toil,  
I'll be free from the cares of life;  
I'll be free from all turmoil here below,  
From envy, and hate and strife.  
Some day—I will travel here no more,  
I'll arise and journey out;  
I'll go to that home beyond the grave—  
That home long talked about.

Some day—I will anchor across the stream,  
The dark, deep stream of death;  
I will land on the shores of immortal bloom  
Where our life ends not with breath.  
Some day—I will walk thru those streets of gold,  
Along with my Saviour there;  
I will meet with the friends I have met with while here  
In that country—so bright and fair.

Some day—I will sit by the river  
In that beautiful world on high;  
I will look with delight on the passers by,  
And never once heave a sigh.  
Some day—I will sing with the angels of God  
The songs the redeemed ones sing;  
I will sing the glad song of peace and love  
Which will make the broad arches ring.

Some day—with the myriads around the throne,  
I'll rejoice with exulting joy—  
With the glorified there—forever rejoice—  
Where nothing will ever annoy.  
Some day—I'll be crowned with all that is good,  
I'll be crowned then forever—  
I'll be crowned with my Saviour,  
Redeemer and Lord,  
Where there's always perpetual day.

Some day—I will rest—thank God,  
I will rest  
In those mansions beyond—  
above;  
With my loved ones and friends—  
forevermore rest—  
In those regions of light and joy.  
Some day—I will live—I know I will live—  
When the trials of life are o'er;  
I know I will live with my Saviour  
and Lord  
Safe on the Eternal Shore.

## Norval

Last Wednesday afternoon an informal reception was held by Rev. Mr. and Mrs. Douglas at the Ladies' Aid transmitted business and gave a short program, and the members of the congregation were invited to inspect the very fine changes that have been made in the parsonage. The Ladies' Aid were responsible for the interior decoration and furnishing, while the men of the congregation looked after the exterior. The work done by Edward Budd of Glen Williams, received the highest commendation of the visitors, the parsonage being now one of the show places of the village. The teachers, Misses Maxwell and Vanatter, assisted Mrs. Douglas in receiving and in dispensing delicious refreshments, and Mrs. Matthew Laird was in charge of the devotional exercises. The ladies held a corn roast on the school grounds on Tuesday, Sept. 18, when a program was given and community singing formed part of the attraction.

**Roadhead—McArthur**  
There was a quiet but pretty house wedding at the residence of Mr. and Mrs. Emanuel Goulson of Lowville, Ont., Wednesday afternoon, September 19th, when their daughter, Millie May McArthur, became the bride of Chas. Roadhead of Lowville, and ex-Warden of Halton county, Rev. M. E. Cameron, M.A., officiated. The house decorations were in pink and white and the ceremony took place under a floral arch in the drawing room. The bride was given away by her father as Miss Mary Cameron played the wedding march. The bride's dress was of pelican grey that canted crepe with pleated panels and tiny ruffles. She wore a string of Princess pearls, the gift of the groom, and carried Opelia roses. The bride's mother wore a gown of seal brown canted crepe, with bronze beads and orange bouquet. The wedding ceremony was followed by a sumptuous wedding breakfast served by young lady friends of the bride, after which congratulations were extended. In the evening Mr. and Mrs. Roadhead left by motor for Toronto where they take the boat for a trip to Quebec and the Saguenay River. The bride's going away dress was of Congo brown crepe trimmed with tarnished gold, and wearing brown hat and coat to match. They will reside at Lowville.

**Bellisle-Haffey**  
The marriage was solemnized at Holy Family church of Mary Elizabeth (Beattie), second daughter of Mr. and Mrs. Matthew Bellisle, son of Mrs. Margaret and the late Joseph Bellisle. Rev. Father H. Bellisle, brother of the groom, officiated. The bride, who was charmingly attired in grey georgette crepe beaded in steel with hat and shoes to match and carried a bouquet of Opelia roses, was given away by her brother, Mr. Ralph H. Haffey. Miss Lillian Haffey, sister of the bride, attended as bridesmaid in a French blue crepe remaine gown with black velvet picture hat and carried Dunlop rosetts. The bridegroom was assisted by his brother, Mr. Edward Bellisle. Immediately after the ceremony a wedding breakfast was served at the home of the bride's mother, 32 Maynard avenue. Later Mr. and Mrs. Bellisle left for New York, the bride wearing a coat-dress of navy blue Poirer twill and black velvet hat with coq feather, and brown fox fur. On their return they will live on Ashburnham road.

The directors of the late Rev. John McCaskill will hold a public sale of high class furniture and effects on Saturday Sept. 22nd at 2 o'clock at E. Baldwin's on G. T. R. station Acton. R. J. Kerr Auctioneer, Phone 56

## Magnificent Floral Centre

The following from the Acton Free Press quite vividly describes one of Georgetown's beauty spots as seen by a visitor:

"One of the most attractive places in Ontario just now in the province is the Floral Centre at Acton. The floral display is magnificent, both in the number of plants and in the variety of colors. The display is now at its best and commands the attention of all passing, both on the street and on the train. But a feature of the Floral Centre is the wealth of bloom seen in the fields of Gladioli, where 250,000 bulbs are sending forth their many-hued and beautiful flowers. Not alone in color and color does this expansive display merit praise. It embraces many of the rarest varieties known to growers of this flower. This was evidenced by the exhibit made at Toronto Exhibition by the Georgetown Floral Company, which was awarded first prize by the expert judges. In addition to the two floral projects mentioned above there is a plot containing some 7,000 aster plants in bloom which for color and variety would cheer the heart of any lover of this hardy flower, which is being brought to greater perfection year after year. Mr. S. Kirk, of the Georgetown Floral Company, is president of the Flower Growers' Association of Ontario and Mr. Thomas Duggan, of the Dale Company at Brampton, is Vice President."

**George Wallace Resumes to Toronto**  
Citizens will regret the departure from Guelph of Mr. George Wallace, former Wyndham Street merchant, but will be pleased to hear that he has been appointed sales manager for Haffey-Knowles Motor Trucks, Limited, Toronto, for Toronto and York county. Mr. Wallace will move to Toronto shortly, where he will in future make his home—Guelph Mercury.

**Certainly About-Blinded**  
It was knocking off time in an Irish shippyard and one of the men shouted—"Any av you fellows see me waistcoat?"  
"Pat looked around, "Why sure Murphy" he exclaimed, "ut's got it on you have."

**Regorra, Pat** said Murphy, solemnly "an so I have. An ut's a good job you were notice' the fact otherwise O'd have gone home without it."

**Headed—The Whites**  
It may be of interest to sportsmen to note that changes in the regulations under the Migratory Birds Convention Act affecting the shooting of migratory birds in certain provinces have recently been authorized by Order in Council. Under the Order a further closed season throughout the Dominion has been provided for wood ducks extending until January 31, 1924. A similar closed season has been provided for older ducks.

**Must use Excise Stamps**  
An Ottawa dispatch of Monday says: After October 1st next postage stamps will not be accepted for the duty on cigarettes, receipts and hand drafts. Furthermore it is announced by the Post office department the excise stamps for this purpose will not be sold at post offices. This is contended would lead to much confusion as posted matter might be mailed with excise stamps instead of the correct postal stamps. The excise stamps are to be sold at banks, and such other places as may be designated by the Department of Customs and Excise. On money orders and postal notes the tax will continue to be paid by affixing postage stamps.

**The Hunting Season**  
That vast territory known as Northern Ontario, reaching from the Eastern boundary of the province of Manitoba to the Western limits of Quebec, is probably the finest hunting region in America. Almost in every district of this vast area game animals of some kind may be found. From Georgian Bay east to Algonquin Park, and from the Kawartha Lakes north is a veritable hunter's paradise for red deer, while farther north including the territory north of Georgian Bay and Lake Superior up to and along the line of the Canadian National Railways for hundreds of miles, moose are plentiful and red deer are found in some sections. Caribou are found in the late Nipigon country and in the more northern districts between the line of the Canadian National and James Bay. Bears are plentiful in all this country.

Write for copy of "Where to Fish Hunt and Paddle in the New North" by J. G. Macdonald, the National Railways will obtain full information for interested hunters.

**Mr. H. Condon's Prizes**  
A \$5.00 prize is now offered by Mr. H. Condon for the best sweater knit entirely from yarn made at the Georgetown Woolen Mills. All entries must be made on or before the 25th of September. Also, a \$5.00 prize for the best rug, the same conditions apply to this. \$5.

## Notes and Comments

**CHANGING THE HOLDING** of municipal elections to a time when the citizens are less distracted towards other things is a move in the right direction, but it will obtain no practical results unless the taxpayers can be induced to take greater interest in the manner in which their taxes are expended.

**MANY A MAN** who does brilliantly in the schools can only a very moderate figure in the workaday world. There is no absolute reason why a genius in the schools should be almost an imbecile in the workshop or the counting-house. It is discouraging to have to admit it, but it is plainly true.

**THE RELATIVE** HIGH mortality from whooping cough during 1922 to date, following the lowest rate ever recorded, in 1923, shows some startling contrasts in mortality incidence, when compared with the three other epidemic diseases of childhood—measles, scarlet fever and diphtheria—according to the Metropolitan Life Insurance company, which has just completed a survey of whooping cough, it is discovered, is the only one of these four diseases which kills more girls than boys, which has a higher death rate among negro children than others.

**OUT OF 80,000** SAMPLES of bootleg liquor seized by American prohibition agents and analysed by official chemists in Washington one per cent. was found to be pure. That is to say that those who patronize that amiable alley-haunter, the bootlegger, have 99 chances in 100 of going blind, dropping dead or of becoming invalids for the rest of their natural lives. What seems to be the greatest problem in connection with liquor to-day is not so much the abolition of legitimate stocks, but of keeping honest citizens away from the brand of outlawed cocktails that so precipitately swing open the pearly gates for all who touch, taste or smell.

**WITH ALL** THE picturesque of the usual surrounding landscape; with all the well tilled farms and beautiful farm residences, and with all the fine roads and thousands of automobiles travelling these roads, there is an unfortunate blemish on the landscape of this fair province of ours. That defect is seen in the condition of many of our rural school grounds. It is rather a rare thing to see such taste displayed in the decoration of these grounds. Some of them have not even a tree or shrub on the premises. This is an uninviting prospect to the tourist, to the immediate community, to the boys and girls attending school and depreciates the value of farm property in the section. The time has yet to come when there should be a general interest taken in this matter by the Board of Trustees and teacher of every rural school.

**IF THE NUMBER** of persons killed and maimed yearly by automobiles is staggering, the number of animals either killed or injured is also appalling. There are no correct statistics as to the animals, but from observation it is easy to see that thousands of poor animals that are killed or are made to suffer because of the carelessness or senseless speed of motorists. Dogs, cats, chickens, geese, ducks, turkeys and even goats, sheep, cows and horses bear the brunt of the insane practices of automobile drivers. Sometimes the motorist makes a deliberate attempt to run over an animal or fowl that happens to be in the road, but it is comforting to note that many motorists show their horns when they see their route obstructed. Usually when a car strikes a smaller animal, the animal is killed outright and thus put out of misery. Often however the creature is left lying beside the road, to slowly or to suffer untold misery.

**Write for copy of "Where to Fish Hunt and Paddle in the New North" by J. G. Macdonald, the National Railways will obtain full information for interested hunters.**

**Mr. H. Condon's Prizes**  
A \$5.00 prize is now offered by Mr. H. Condon for the best sweater knit entirely from yarn made at the Georgetown Woolen Mills. All entries must be made on or before the 25th of September. Also, a \$5.00 prize for the best rug, the same conditions apply to this. \$5.
