In Memoriam
Tracy—In loving memory of James
Herbert Tracy who died October 2nd,
1923.

Your name is dear to memory,
It gladdens my heart, Mr. and Mrs.
Your loving smile is with me still
I miss your dear familiar form
I miss your smile and your voice
There is no use in all this world
Can't our dear boy's place.

The years may wipe out never
The memory of those happy days
When we were all a long farewell,
Oh, how I miss you, none can tell,
Yet still I know what you have gained
And this I have not complained,
I will not complain, I will hope and
trust

While you are mouldering in the dust
And when my task on earth is o'er,
We'll greet you on the other shore.
Father, Mother and Brothers.

Preswood—In fond and loving memory
of our dear son and brother, Pte.
John Preswood, who was killed in
action October 1st, 1915.

When the roll is called up yonder,
And the Saviour counts his brave,
Our dear son will be there,
For his precious life he gave.

Loving and kind in all his ways,
Upright and just to the end of his days,
Sincere and true in heart and mind,
A beautiful memory left behind.

Sadly missed by Mother, Father,
Sisters and Brothers, Glenwilliams.

Halton County Fair
Fine weather and a record
breaking attendance marked the
second day of Halton County Ex-
hibition, held in Milton on Satur-
day, the gate receipts being over
\$500 in excess of any previous
year in the history of the Agricul-
tural Society. The fruit exhibit
was exceptionally large and the
prizes were about evenly divided
between Messrs Paul and Mary
Fisher, Burlington; Smith Bros,
Oakville; Wesley Brockton, Bronte,
and A. S. Wilson, Hornby. There
was a good display of flowers,
roots and vegetables.

For years Halton County Ex-
hibition has been noted for its
fine exhibit of horses and Satur-
day's showing of heavy and light
horses surpassed anything seen in
Milton before. There was a large
showing of cattle, sheep and pigs
and a record display of poultry.

The championship School Fair
held in connection with the Hal-
ton County Exhibition, drew a
large crowd of spectators. The
exhibits were better than last year
and were a credit to the pupils of
the different schools in the county.

Mr. A. Carter is sporting a new
Chevrolet and Wm. Beaumont Jr.

Mr. and Mrs. Wm. Cook and
daughter Gertie of Guelph spent
the week end with relatives-here.
Miss Sarah Halpin has returned
to her home here after a two
months vacation at Jackson's
Point.

Miss Alice Bailey of Sutton has
returned home after spending two
weeks at the home of Mr. and Mrs.
W. Halpin.

Limelhouse
The Esquousing Rural School
Fair was held at Limelhouse this
year. The Limelhouse School car-
ried away a goodly number of
prizes, coming out 5 points ahead
of the township. Mr. Fleming re-
ports it to be the best fair ever
held in the township. The Limel-
house School also won a very high
standing at the championship fair
at Milton on Saturday.

Next Sunday will be Anniver-
sary Sunday at the Presbyterian
Church. Services at 11 and 7.30
o'clock. Rev. Mr. Patterson of
Norval will take the both services.

There will be an old time social on
Monday evening. A real fine pro-
gramme and tea will be provided.
Mr. Wm. Marshall, Balph and
Miss Olive and Winnie were home
for the week-end.

It looks good to us to see our
customers increasing in both new
work and repairing. My full in-
tention is to go right in for cut-
ting the prices to a finish for the
best goods money can buy, such
as Dayfoots, McPhersons and
other makes. Dayfoots cut to
\$.40; McPhersons cut to \$.40;
Williams of Brampton cut to
\$.50. Boys' solid leather boots
at \$3 and \$2.50. See our boots
before you buy elsewhere, then
buy if you like, if not it is all right,
we want you to see the bargains
anyway. I intend to paralyze the
shoe business in Georgetown with
cut prices. Repairing while you
wait.—J. Boney.

1924 McLaughlin-Buick Features

FOUR-WHEEL brakes are on all 1924
McLaughlin-Buick models. These brakes
make it possible for the driver to stop the car
in a fraction of the time and distance required
with the conventional two-wheel brakes. It also
eliminates skidding when the car is brought to
a halt.

Both the four and six-cylinder models have the
proverbial McLaughlin-Buick stamina and rug-
gedness. Hill-climbing power and the ability
to travel rough roads with ease are typically
McLaughlin-Buick characteristics.

The 1924 cars—the finest McLaughlin-Buick
has yet built—are notable contributions to the
science of automobile building, as well as ideal
cars for owners who want the greatest value
possible in return for a moderate purchase price.
