The Hospital is in need of funds to carry on its work. Why not buy these seals in lieu of others? Not only will you get a good value in return, but your money will be made to serve a greater end, for it will go to help someone in distress.
For sale by school children, and banks, by direct from Xmas Seal Department, Gage Institute, Toronto, Ont.

Mother Had to Be Parted From Baby Boy

Little Jack is in a distant city. His mother is many miles away, and he is the only child she has left. He is looking well, doing well and we are glad to see him again.
When she thinks of the once happy days when she and her mother and father were together, she is mighty hard to keep from tears. She won't let Daddy bring Jack down to see her, she hopes to be home for Christmas—healthy and happy.
Contrary to what you might think, Jack is not coming home occasionally, but it's more than that. She has a machine shop, and mother is faithfully obeying doctor's orders and orders at the Muskoka Hospital for Consumptives. She hopes to be home for Christmas—healthy and happy.
If you are interested in this work, write to Hon. C. H. Charlton, 111 College Street, Toronto.
