WHERE DO YOU FIT?

Where do you fit in this world of ours,
With its hustle and bustle and work,
Are you one of the things that help it along—
Or are you with those who shirk?
Do you hit the job with a smile or frown,
Do you carry a grouch all day,
Are you one of the flock that watches the clock,
Are you' workin' for more than pay?
Is your job man sized and worth the while,
When you've tallied up your score
Are you keepin' fit and doin' your bit,
And perhaps a wee bit more?
Are you one of the average just drifting along,
Are you listed as Profit or Loss,
Are you stallin' for time or startin' to climb,
How much are you puttin' across?
Just pull in your slack and count up your score,
Locate what you're aimin' to hit—
Don't waste ammunition and all your ambition
But find out just where you fit!
—Frank A. Collins in Forbes Magazine (N.Y.)

Halton County Roads

We copy the following from the annual report of the Ontario Department of Public Highways for the year 1922. The total mileage of roads in Halton county is made up as follows:—

Provincial Highway—Concrete, 14.4 miles; stone, 12.1 miles; gravel, 9.0 miles; earth, 6.1 miles; total—41.6 miles.

Provincial County Roads—Concrete, 4.1 miles; stone, 31.9 miles; gravel, 6.0 miles; earth, 3.0 miles; total—45.0 miles.

County Roads—Concrete, 3.0 miles; stone, 74.2 miles, gravel, 15.6 miles; earth, 7.2 miles; total—100.0 miles.

Township Roads—Stone, 21.5 miles; gravel, 32.8 miles; earth, 372.8 miles; total—427.1 miles.

Provincial County Road construction exclusive of bridges amounted to $8,071.59, the principal item of which was the construction with a macadam surface on 1-2 mile of Provincial County Road No 182 in Nelson Township, at a cost of $4,900.05.

Bridge construction of Provincial County Roads amounted to $9,294.79. Of this amount the Coulter bridge, of 20 ft. span, and 20ft. clear roadway, cost $2,881.36.

Maintenance of Provincial County roads amounted to $8,611.94 98 per cent of which was for resurfacing.

A total of $84,890.81 was spent on County road construction. A stretch of concrete 16 feet wide and 1,092 feet long was built south from the village of Bronte to the lake front, and continued north to the Grand Trunk tracks, a distance of 7,285 feet, with a 10 foot slab and 3 feet macadam shoulders. The total cost was $82,610.32. The remainder of the construction consisted of 16 1-2 miles graded and surfaced with crushed stone. Maintenance and repair cost $12,721.04, the principal item being $10,789.34 for resurfacing.

One new road roller was purchased at a cost of $5,272.18.

Approved expenditure in the four townships totalled $117,215.07. All four townships participated in the Departmental subsidy. Some very excellent work was done in several of these townships and an improvement is noted over previous years' work.

Acton

Our municipal elections took place on Monday, Dec. 3rd, and resulted as follows:

Reeve—George Barber.

Councillors—E. T. Thetford, Frank E. Holmes, John Nicol, Jeremiah Bell.

Canada Lures World-famous Stars

That the two-fold attraction of Canada's audiences and Canada's scenic and climatic allurements, especially at Banff, is proving irresistible to many great concert, theatrical and movie stars is well brought out by the sheaf of photographs reproduced above, which represents some of the famous artists who have recently visited Canada.

The majority of the originals of these pictures need no introductions to Canadians. Sophie Breslau, that brilliant contralto singer, who is shown about to start her tour of this country from the Canadian Pacific Railway's Windsor Station, Montreal, made a great hit everywhere. Dame Clara Butt retains her place in the hearts of British audiences. Galli Curci's golden voice has enraptured millions. Elsie Janis, internationally known impersonator, and her 'Mamma' foregathered with the Mountie at the C. P. R. station at Banff and got a big thrill. Jack Holt, famous movie star, snapped off duty among the Indians at Banff, is lyrical on the subject of Canadian scenery. Jascha Heifetz was on his way to the Orient when he posed for the Canadian Pacific camera-man. The perennial Pavlova expresses her appreciation of services rendered aboard the 'Empress of France'. Doug and Mary had the time of their young lives holidaying at the Canadian Pacific hotel at Banff, where the picture reproduced was taken

Are You Protected

Hospital for Sick Children
COLLEGE ST., TORONTO.

Dear Mr. Editor:—

Recent discoveries in medical science have called attention to the great service rendered by an up-to-date hospital through facilities provided for research. Probably few laymen appreciate the amount of this work conducted under the auspices of the Hospital for Sick Children. Yet it is only by intensive study of the causes of children's diseases that the hospital staff has been able to establish a world-famous record for cures. Statistics show that the rate of infant mortality in this Province has been steadily decreasing, until it is now among the lowest in the world. What that means is that hundreds of Ontario parents owe their children's lives to the research work in the laboratories of the Hospital for Sick Children.

Although the doctors give their services freely, the bills for equipment add up annually to a good many thousands of dollars. But in view of the results attained, I feel that not one of your readers will cavil at the money so spent, and I confidently venture the hope that many of them at this Christmas season will wish to enrol themselves in the Hospital's campaign on behalf of Ontario's childhood.

To carry on this research work there is not one cent except what comes in from voluntary subscriptions. For the care of the children occupying hospital cots there are certain statutory grants, but these represent scarcely more than half what the Hospital needs. Last year, for instance, the Hospital doctors looked after an average of 253 in-patients and 192 out-patients daily. Quite a colony of ailing youngsters! And the expenditure — although whittled down to the minimum commensurate with efficiency — was $318,917. The income to the extent of at least $100,000 depends upon the regard which the people of Ontario have for the Hospital's work and the generosity with which they express that regard.

May I ask you, Mr. Editor, to point out to your readers that since the establishment of the Hospital for Sick Children, at least four more Ontario youngsters in every hundred have survived the trials of childhood? For with that simple statement of fact brought to their attention I feel sure that many of them will bestow their benediction upon the work of the Hospital for Sick Children by sending some Christmas gift, according to their means, in care of the Secretary-Treasurer, at 67 College Street, Toronto.

Faithfully yours,
IRVING E. ROBERTSON,
Chairman of Appeal Committee.

Since the Hospital Opened Its Doors In 1875. 85,231 In-Patients Treated — 805,035 Attendances of Out-Patients.

Increase Your Sales
By Long Distance

Long Distance enables you to get a decision immediately.

Right now, all over Canada, salesmen are making appointments with customers in distant cities, or selling them, forestalling competition and getting the orders on the books.

At no time in history has it been more important to the business man to be in many places in one day. The more places he can be in, the more goods he will sell.

In many cases the line that separates the efficient from the inefficient is the thin copper line of Long Distance.
