NEPTUNE TO VISIT WORLD CRUISERS

#### IT MATTERS MUCH

It matters little where-I was born If my parents were rich on poor: Whether they shrank at the col world's scorn.

Or walked in the pride of wealth But, whether I live an honest man And hold my integrity firm in, m

I tell you brother, as plain

It matters much's It matters little how long I stay In a world of sorrow and care ... Whether in youth I'm called away Or live till my bones and fate are

But whether I do the best I can -To soften the weight of adversity

On the faded cheek of my fell

matters little where On the land or on the sea,

By purling brook or beath stormy It matters little or naught to But whether the angel Deat comes down.

And marks my brow with his lo ing touch As the one that wears the victor

It matters much!

ed to the Compensation Board spection at any time. than ever before. In 1928 there were 61,109 accidents reported by 579 were fatal. These figures, on Bakery and Groceries industry to the Board, of which the basis of accident Requesco, PRONE 229. 1922 figures, 50,411 accidents were reported, of which 418 were fatal. The only consolation in the report is the fact that the increase is in accidents of a more minor nature. Up to 1928 the largest number of Cook Stove combined is the socidente reported was in 1990 best on the market. See them when there were 54,651. In 1928 Cream Separators to \$8,178,761.74; in 1922 to \$5,792,896.61, and in 1921 to \$6, 189,298.49. No one will quarrel with the principle of compensation but the whole community may reasonably etand aghast at the in one Province of Canada are costing six million dollars a year plus lost production and lost wages which may easily double that figure. Most accidents are preventable. A little care, a little Brampton Business will prevent thousands of acci. Institute dents and reduce both human suffering and money losses An Day School average of 204 accidents reported every day in 1928 to the Workmen's Compensation Board calls for direct action by management and men to assist in reducing these figures materially for the present year.

Choose New Minister At a meeting of the members of Knox Church, Milton, held on Monday night, Rev. W. D. Marshof Brucefield was extended a call. The pulpit has been vacant since last fall, when Rev. W. M. McKay, who had been the minister for about a score of years, retired Oakville's Tire Alarm System

At the town council meeting last Wednesday evening a contract for a fire alarm system was auth orized to be signed and the order given for the installation of a sys tem by the Northern Electric Co. This system should be completed early in March, and will no doubt be found a great belp in giving alarms more promptly. There will be ten street boxes and an alarm can be sent in from an phone. When to travel upon the sea was to venture in great danger it was usually thought wise by the voyagers to propitiate the god of the waters by making gifts to him before atting sail, and oftentimes, when Neptune displayed his wrath at sea, human sacrifices were made to him. To our superstitious ancestors the son of Saturn and Ops had great power over the waves, especially those of the sea, and had, therefore, in his hands the welfare of all vessels and their human and other freight. The worship of Neptune was early introduced into Rome,
