**Obituary**  
MR. W. HARLAND SMITH  
Oakville has lost one of its prominent residents in the death of Thursday here at her home, Lake Shore East, of Mrs. W. Harland Smith, formerly Miss M. Eccleston, a daughter of Mr. and Mrs. Alfred C. Eccleston of Strathville, which was her birthplace. She was married in 1890 to Toronto by Mr. W. Harland Smith, and was a resident of the city until about 16 years ago, when the family moved to their Lake Shore home.  
Her ability as a singer won for her many admirers and she was a prominent figure in musical circles. Mrs. Smith's death followed an operation. Surviving Mrs. Smith are her husband, Mr. W. Harland Smith, two daughters, Mrs. J. A. Gardner and Mrs. Wilfrid M. Coyle.

**Mrs. Hugh Walker**  
Following a serious operation on Wednesday last, the death occurred at a late hour Saturday night of Elizabeth Davidson, wife of Hugh Walker, 186 Woodrich St., Georgetown. A cordial invitation is extended to all ladies.  
The funeral of the late Mrs. Geo. Day, for nearly 60 years a resident of Norval, took place on Wednesday afternoon when the remains were interred in Norval Cemetery. Dr. Kyle conducted the service. The pall-bearers were deceased's four sons George H. Day, C. E. Day, Gordon Day, Victor Day, and two sons-in-law S. G. McKenzie, Georgetown, and George O. Erickson, Toronto. There were many beautiful floral tributes from Verdun, Bebekah Lodge, Georgetown, St. Paul's Church; Women's Auxiliary of which deceased was president; Staff of Eaton's General Office, Toronto; the family and friends and neighbors.

A number of our young people, attended a party at the home of Mr. and Mrs. J. Billington's, on Friday evening. There was a large turnout. Mr. Ed. Sanderson and J. L. Crane supplied the music, while Mr. Norman team filled the position of Masler, of Cornucopias. They all report a good time.  
A number of friends gathered at the home of Mr. and Mrs. Ed. Townsend on Saturday evening and gave them a pleasant surprise; the event being to celebrate the 50th anniversary of their marriage. They were presented with a purse and an address. The address was read by Mrs. T. Anderson, and the presentation made by Mrs. A. McDonald. The evening was spent in games and dancing.  
We are pleased to learn that Mr. J. Coulter is improving nicely.  
Mr. H. Logan has closed his brick plant here for the winter but hopes to be able to start operations again early in the spring.  
Mr. J. Billington has purchased a bush-plot in Erie and has a gang of men cutting wood at present.

**Billion Acres and Live Stock**  
Bulletin #7 of the Ontario Department of Agriculture gives very interesting information respecting the crops and live stock of the farms of the province for 1920. The figures given have been compiled from individual returns by farmers, and from information given by a staff of correspondents in every township.  
The returns for Halton county are as follows:

|              | Acres | Bus.      | Per  |
|--------------|-------|-----------|------|
| Fall Wheat   | 8,940 | 226,182   | 25.3 |
| Spring Wheat | 1,345 | 22,038    | 16.4 |
| Oats         | 7,345 | 247,387   | 33.7 |
| Rye          | 272   | 1,345,121 | 41.1 |
| Barley       | 204   | 3,359     | 17.3 |
| Peas         | 1,159 | 26,657    | 23.2 |
| Beans        | 594   | 11,108    | 18.7 |
| Com.         | 243   | 3,645     | 15.0 |
| Timothy      | 469   | 23,450    | 30.0 |
| Mixed Grains | 9,277 | 368,297   | 39.7 |
| Carrots      | 5     | 500       | 100  |
| Potatoes     | 1,302 | 143,741   | 110  |
| Turnips      | 1,067 | 453,279   | 417  |
| Sugar Beets  | 17    | 5,100     | 300  |

Fodder Crops

|               | Acres  | Tons   | Acres | Per |
|---------------|--------|--------|-------|-----|
| Alfalfa       | 12,994 | 31,353 | 2.45  |     |
| Hay and Straw | 40,997 | 74,388 | 1.86  |     |

A gratifying feature of the report is the fact that in every case the yields of grain and roots in our county are among the highest in the province.  
The report also shows that there are in this county 42 stallions, 7,421 mares and geldings, and 587 colts and fillies, a total of 8,050 horses. There are 5,829 sheep and 5,221 lambs; 785 bulls, 24,591 milk cows, 19,971 calves, 2,786 steers, 10,718 other cattle, a total of 88,841. In swine we have 2,478 brood sows and 15,188 other pigs. In Halton there were 3,782 turkeys, 7,904 geese, 5,512 ducks and 899,907 hens and other fowl.  
Be careful on the icy pavements, a fall might cost a lot of time and money.

**Norval**  
The anniversary services in the Methodist Church last Sunday, were a pronounced success in point of attendance, music, offering and message. Rev. Mr. Gray of Brampton, was very much appreciated. The pianists have at last arrived for the Norval bridge.  
The Young Peoples' Society met in the Methodist church last evening, many important addresses were delivered, musical numbers rendered and a general good time spent. The meetings here are to be held in the Methodist church for one month and then in the Presbyterian church one month, etc. Skating party next Monday night, but fad at the close.  
Miss Jessie Lennox of Union spent Sunday at the parsonage.  
Mrs. C. Canteloni has gone to the city to undergo an operation for appendicitis at one of the Hospitals. Her many friends wish her a speedy recovery.

Business here is showing signs of revival after the many weeks of hold-up through bad roads.  
Norval branch of the Women's Institute will hold their regular monthly meeting at the home of Miss McPherson on Thursday, February 7th. The Brampton Girls Institute have consented to give the entire program and we hope for a good attendance. **Boys Play Hockey**  
On Saturday morning a boys' hockey tournament was featured at the Arena and proved an enjoyable treat for spectators and a splendid workout for Georgetown and Glenwilliams future hockey players. The main event was the game between Georgetown and the Glen which resulted in a win for the home team by a score of 9-0. There were players on both teams who exhibited considerable speed and did some good stick handling and in the near future will make star players in league teams.

**Excavation of earth** under the C.P.R. line at Lambton to prepare the new piers of way for the Toronto extension of the C.N.R. radial line at Guelph is nearing completion.  
With a view to making Brampton a centre of attraction for tourists, the Board of Trade of that town will take steps to provide a camping ground for motorists during the coming year.

**Georgetown Won From Elora and Lost to Brampton**

The announcement by Mr. W. D. Robb, Vice-President, that the Canadian National Railways will equip all their hotels and transcontinental trains with radio receiving sets and broadcast to them messages, news and programs of entertainment, marks a distinct forward step in radio development. It is the first time that radio has been adopted as a part of the regular service of a rail transportation system. Mr. Robb, who is in charge of the radio department of the National System, is completing plans for the link-up across Canada of a number of powerful broadcasting stations to be used by the railway in the regular distribution of its radio service. The photograph shows Mr. Robb in Montreal, delivering into the microphone, the instrument which broadcasts the voice by radio waves, a message to Canadian National Railways' employees and the general public. This message was heard as far south as Carolina, as far west as Chicago and as far east as Halifax.
