ROGER W. HADSON, the great Montreal business man, said to a gathering of Montreal business men the other evening: "There never was a time when business men were so divided as at this outbreak. This very fact should cause you successful business men to take your task seriously during the next six months. Cut out all frills. Cook your bills. Keep down inventories. Reduce costs. Avoid getting into any more debt and get out of debt as fast as possible. We must all work for greater confidence, more efficiency, lower taxes, and other fundamental things. The time has come when we must all work for greater confidence, more efficiency, lower taxes, and other fundamental things. Successful Carnival
Over Seven Hundred Enjoy Evening at Arena

The first fancy dress carnival of the season was held in Georgetown's fine new Arena last Friday evening. Over seven hundred were in attendance and over one hundred appeared in costume. They were a ray crowd of costumed skaters and interested spectators. The costumes were well gotten up and very representative and the judges had a difficult task to decide the winners in each of the various classes. The fancy dressed ladies and children glided gracefully around the arena with big cloaks, Italian, colored gowns, police-men and costumed nobility, to the music furnished by the Citizens Band. Even Charlie Chaplin was there, but "Bud" Kentner with "Spark Plug" outdistanced them all.

The successful prize winners were as follows:
Best Dressed Lady—1st, Mazie McDonald, 2nd, Aileen Moore.
Best Dressed Gent—1st, Bus Marshall, 2nd, Geo. Jennings.
Best Dressed Girl—1st, D. Watson, 2nd, Bernice McDonald.
Best Dressed Boy—1st, Bud Kentner, 2nd, Saunders.
Best National Costume—1st, G. Summerville, 2nd, C. Heard.

Glenwilliams

On Thursday evening last a public meeting was held in the town hall regarding the condition of our cemetery. Trustees Ben Petch, E. Y. Barracoulou and C. Cook were present. Mr. Cook acted as chairman. A great many plot owners have in the past few years volunteered to donate a certain sum of money to keep the cemetery in fair shape, especially their own plots. At this meeting it was proposed to appoint collectors to collect from the people, especially plot owners, by volunteer subscription. Wilfred McKinley, George Allen and Wm. Scott were appointed collectors. The amount they will try to raise will be \$500. This will put the cemetery in good condition and a little over to keep it in good shape. When any of these "light-bow" call to see you, or write you, you are invited to be as generous as possible. Keep the motto, "Gone but not forgotten, in our minds and let us put our shoulder to the wheel and have a cemetery that will be worth while and second to none.

The Agent's Responsibility is a Heavy One

PROVIDED he takes his profession with the seriousness of the doctor, of the lawyer, or of the Minister. PROVIDED he feels that he has been lax in his duty to any fellow man who has suffered a loss that could have been covered had he been diligent in his business. PROVIDED he feels that on every policy he signs, he is attaching his signature to a document obligating him to make good if the Company whose contract he O.K.'s, by attaching his signature thereto, does not. PROVIDED he feels a sense of personal and moral responsibility if one of his clients suffers a loss under a policy issued by him in a company unable to settle the claim. PROVIDED he has a conscience, knows the difference between good and bad insurance and will accept no personal profit rather than to place a client under risk by selling him cheaper insurance in an unsafe Company.
