The Glen Hockey team were again victors in the final game last ril 14th, 1924, at 1 o'clock p.m. & Son. Thursday evening against the Coating Mills the score being 2-1 in their favor after a 10 minute overtime play. This game was fast and clean only a few minor penalties on each side. In the first period Hewitt scored on a long shot. The coating mills scored a goal in the second period. when A. Allen put in a shot which went through Tracey's legs, while Huntley of the Glen defence was serving a minor penalty. In the 3rd period there was no score both teams being evenly matched. The coating mills having the more experienced players, while the Glen team are all in their youth, did well to win in the first few min the pock from the defence and scored the winning tally.
