An Easter Message

The following Easter message from Rev. R. F. Cameron, who is recovering from his recent severe illness; was read by Rev. Mr. Mackay to the congregation of Knox Church on Easter Sunday morning:—

"The Christmas message is cheerful and bright in which there is announced to mankind, "Behold I bring you good tidings of great joy, which shall be to all people, for unto you is born this day in the City of David, a Saviour which is Christ the Lord.".

But there is no message to dying men which compares to the Easter message. He who had been trusted to redeem Israel has been crucified and His dead body laid away in a tomb; His disciples who were expected to carry on, are downcast, discouraged, and without hope, when lo, the news is spread abroad that the tomb where His body lay is empty; that He has been seen by various ones of His disciples and in different places. "The Lord is risen indeed."

The empty tomb is the strongest argument of the fact of the Resurrection. Christ is risen indeed, so that He whom the early disciples had been trusting for so much has not deceived or forsaken them, but has proven himself to be all He claimed to be, and to have power over death and the grave.

This risen Saviour today stands ready and willing to reveal himself to any and everyone who will seek Him humbly and earnestly.

He reveals Himself specially in the breaking of Bread, so while the Bread of Life is being broken to you in His Name today, may you discern Him, as the Emmaus disciples did, and may the reality of that discernment be measured to you by the burning desire of your heart to follow and serve Him, is the earnest prayer of your Pastor."

Terra Cotta

A number of our young people were kindly entertained to a social party at the home of Mr. and Mrs. John Sanderson on Friday evening.

Mrs. Schrag of Brampton spent Easter with Mr. and Mrs. J. A. McKune and family of Union.

Terra Cotta girls are organising a Ladies Baseball team and are getting their uniforms ready. Success to you girls.

Mr. and Mrs. J. Billingly and family have moved to their new farm in Erin.

Mr. Ed. Townsend is having the Bell phone installed in his house here.

Remember the anniversary services in connection with the Terra Cotta Methodist Church will be held here next Sabbath, April 27. Services at 11 and 7.30 p.m. Special music by the choir.

Miss Norma Hunter and Miss Mary Lyons of Toronto Normal School are home for their holidays.

Ashgrove

The social evening arranged by the losing side of the sparrow hunt contest for the members and their families of the Ashgrove U. F. & U.F.W.O. Clubs was held on Wednesday evening, April 16th, at the home of Mr. Rufus Reed. About 40 gathered in the spacious rooms which looked very inviting for an evening's enjoyment. The evening was spent in progressive euchre, crokinole and checkers. A couple of lively and amusing contests were also much enjoyed. Boxes of candy were presented to the winners of the progressive games and the contests. A bountiful lunch was served by the ladies followed by some community singing. A hearty vote of thanks was tendered to Mr. and Mrs. Reed and their family for their hospitality which helped so materially in making the evening a success.

Town Council

Memorial to be Placed at Corner of Guelph and Main Street

At a special meeting of Council held last evening with all the members present, the site for the Soldiers' Memorial was chosen and work will be commenced on the preparation of the plot as soon as possible.

The site chosen was the triangular plot at the corner of Guelph and Main Streets.

Glenwilliams

The Glen Woollen Mills have erected a new iron bridge over their dam here, which adds quite a lot to the appearance of the Glen as well as the safety of their employees.

We noticed quite a number of visitors during the week end.

After each shower of rain the crossing at the corner in front of Wheeler's store is a sea of mud. Cannot something be done to remedy this.

We are sorry to hear of Mrs. Armstrong's illness. We wish her quick recovery.

Rev. Douglas preached a special sermon on Sunday morning. After service ten new members were received into the church, 8 juniors and 2 seniors. Communion service was also administered. In the evening Rev. Dr. Thomas of Toronto took charge of the service.

Mr. Harry Tracey, who has been laid up for a long time, is slowly getting better.

Another of our young men, Wm. Hartsburne, left here on Monday morning for U. S. A.

St. Albans Church took a further step forward at the Easter Day service when the choir appeared vested for the first time. The vesting of the choir added dignity and reverence to the services which were fully choral and beautifully rendered. Attendance at Holy Communion and Evensong constituted a record and collections totalled $158.

The thanks of the Women's Guild are due to the Women and earnest work in the making of the choir cassocks.

The young people of St. Georges Church, Georgetown, will present the 3 act comedy "The Private Secretary," Tuesday evening, April 29th. Admission 35c.

The piano recital given by the pupils of Miss May McMaster on Monday evening of this week was a most pleasant event. Although the night turned out to be very stormy the hall was full. The audience was very appreciative of all that was going on; you could almost hear a pin drop. The delicate touch of the younger pupils would remind you of a ripling stream, they delighted all who heard them; thus mixed with the heavier touch of the older pupils seemed to make you feel that you were in fairyland. Their tempo and the time was excellent.

Mr. Frank McDonald of Stratford sang four numbers which were very much enjoyed. Also Miss Dorothy Smith of Georgetown danced the Higland Fling. All went home after the recital thoroughly satisfied with their evening's entertainment. Miss McMaster and her pupils deserve the highest praise for their efforts. All the pupils performed their individual parts well.

At the close of the program Miss McMaster was presented with a beautiful boquet of tulips by Marjory Mackenzie on behalf of Georgetown pupils, and with a beautiful boquet of roses by Mary Wheeler on behalf of Glen pupils.

Norval

Norval branch of the Women's Institute will hold their monthly meeting at the home of Mrs. Thos. Howson's Sr., on Thursday, May 1st. As this is the annual business meeting and election of officers for the coming year. We hope all the members will be present. An invitation is extended to all ladies to be present.

Stewarttown

Mrs. and Miss Appelbe of Stewarttown entertained the members of the Women's Institute on Monday afternoon in honor of the bride, Mrs. J. H. Hunter, (nee Miss Jean Lawson) a former member of the branch. On behalf of the branch the President, Mrs. J. R. Thompson, presented Mrs. Hunter with a beautiful fern and jardinere. The bride feelingly replied. A dainty lunch was then served from a table beautifully decorated with Easter decoration. Mrs. D. Currachy poured tea.

The Eastern branch of the Women's Institute will hold their April meeting on Thursday, April 24th, at 2.15 p.m. sharp in Stewarttown hall. Mrs. W. F. Ingleharf, District President of Halton, will be present and the girls of the Institute have charge of the meeting. Members will kindly note the change in day and time.

Mr. Robt. J. Peden of Belwood spent Easter with Mr. and Mrs. Walter Lawson at Stewarttown.

Save Fuel in Cooking

The illustration shows an interesting test you should try in your own kitchen. It proves the superiority of good enameled ware for cooking purposes. Take an SMP Enameled Ware Sauce Pan, and a sauce pan of equal size made of aluminum, tin or other metal. Into each pour a quart of cold water. Set both sauce pans over the fire. The water in the SMP Enameled Ware Sauce Pan will be boiling merrily in about five minutes, while the water in the all-metal sauce pan will come to the boil in about eight minutes—three minutes longer. Save fuel in cooking. Use
