Here and There

Railway for the last ten days of March amounted to \$4,496,000, as compared with \$4,212,000 Earnings of the Canadian Pacific compared with \$4,313,000 for the This is an increase of \$188,000 or

Immigration to Canada during the eleven months ending February, 1924, totalled 135,128, divided as follows: British, 67,023; from the United States, 19,120; from all other countries, 48,992. This compares very favorably with 66,189 for the same period a year ago.

Forty pilgrimages to the famous shrine at Ste. Anne de Beaupre, Quebec, have already been arranged for June, July and August this year. Over 200,000 visitors are expected, most of them from Montreal, Toronto, Buffalo, Philadelphia, Chicago, New York and Boston.

Although it has already spent \$4,000,000 in drilling for oil in Alberta without very definite results, the Imperial Oil, Limited, proposes to keep at its development campaign, so P. J. Wolfe, director of marketing for the concern, states. Already the company's \$2,500,000 refinery at Calgary has had the effect of keeping prices down, he says.

As important industrial enter-Montreal in the plant of the National Cement Company, which is being constructed in the town of Montreal East on the site of one of the largest deposits of raw material for cement in Canada. The first unit of the plant will have a capacity of 900,000

A total of 969 communities in Alberta are now served by the Prov-incial Government telephone system. The total number of phones served In the system is 67,279, of which 22,260 are exchange phones; 20,252 are rural phones and 1,085 are private party lines and 13,385 are connecting subscribers. There are 264 exchanges in the province, with 301 toll offices and 62 private party

The growing importance of Can-ada's trade in the Pacific is reflected in the official statistics of the Vancouver Harbor Board for the month of December, 1923, which shows a aubstantial increase in shipping that port over the same month in 1922. Total shipping through the port amounted to 434,432 tons, valued at \$31,421,129, an increase over December, 1922, of 122,602 in tonnage and \$2,703,078, in value.

Ten 10,000 Imperial gallon tenders, for use behind the P.1 type engines used in the Western mountains, have been ordered from the Canadian Locomotive Company, Ltd., Kingston, by the Canadian Pacific-Railway at a price of \$12,445 each, delivery to start in May and be completed in June this year. These tenders will give more efficient coal and water service than any others in this country.

During the year 1924, 96 arrivals and departures on the St. Lawrence route, with its different services, to mer months by its popular monoclass cabin and Empress class steamers, will constitute the Canadian programme of the Canadian Pacific Railway's steamships. A combined tonnage of 197,000 gross tons will be in operation on the Atlantic under the Company's flag, the largest amount yet assigned by a single line to steamship-pessenger traffic onthe St. Lawrence route.

Canada's unfavorable trade bal-ance with the United States is more than equaled by her favorable trade balance with the United Kingdom, according to trade figures of the Bureau of Statistics. For the year ending February, Canada's Imports from the United States were \$603,-000,000 and her exports to that country \$426,000,000, an excess of
